## Missionary of the Week

### Ken & Isaura Orr (Zoe, and Ana Lu) PAZ International, Brazil

After more than a decade away, the Orrs returned to Jacaré-Capa and found a community that had not only grown but planted a daughter church — a dream they'd carried for years, fulfilled after they left! It was a humbling, joyful reminder that the work was never theirs to complete. They are deep in audit preparations, implementing bookkeeping software across their churches, and investing in leaders through discipleship and cell groups. Pray;

- for Ana Lu's international travel authorisation to be renewed smoothly in God's time.
- that bookkeeping training for the custom-designed accounting software system will take root in the churches, and that leaders will grow in confidence and depth.
- that the Orr family will sustain a healthy balance of ministry and daily life.
