Report for March through May 2026

Dear Pastor and Church, I greet you with great affection, trusting that you are doing well and enjoying the great salvation and blessings that we have in the heavenly places.

Thanks be to God, we are in good health, and by God's grace, we are very encouraged as we serve the Lord.

I would like to report on the following:

**First:** As of this month of May, we have had three baptisms: those of our sisters Adriana, Karen, and María Victoria. This is worthy of our mention. Victoria had practiced Catholicism her entire life, and now we have witnessed how God has worked in her life and see her faithfully attending services and going out to reach others with the Gospel—both in their homes and at the hospital.

**Second:** At the Ladies' Meeting—which my wife hosts once a month, Alfonso, his friend Daniela, and Alfonso's mother were in attendance. They were saved by the grace of God. I ask for your prayers for Alfonso, who is struggling with alcoholism. We have already begun discipling them, and they have continued to attend.

**Third:** The Sunday School teachers organized an activity for children ages 6 to 12, and it was a great success.

**Fourth:** On Sunday, May 10th, we invited mothers to a special event—for a mother is of incalculable value. Thanks be to God, attendance was excellent; we had a full house.

**Fifth:** We have made progress on the project for the new classrooms. The greatest challenge—both in terms of labor and finances—is installing the roof. We are praying that God will provide for this need.

Thank you very much for your prayer and financial support. It is a great blessing to us.
