## Lopez Family

Dear brothers and sisters, please accept our warm and affectionate greetings in the love of the Lord. With great joy in our hearts, we wish to share with you what God, in His grace and mercy, has allowed us to accomplish in His work.

At the beginning of the year, we had the opportunity to help the Baptist Church in the town

of Comerío by participating in an outreach activity directed at children. It was a very special time during which we were able to sow the Word of God in their hearts. At the same time—also in the month of January—Mauricio began teaching at the Baptist University College of Puerto Rico, leading a class on Missions in the local church. It has been a true blessing to be able to instruct young people for the work of God. In the neighboring town of Santa Isabel, there is a church that has been without a pastor for an extended period of time. As a congregation, we had the privilege of joining them for a special service on a Wednesday evening. It was a great blessing to see several brothers and sisters from our own church step up to attend, demonstrating love and serving as an encouragement to that church body.

During the month of February, we hosted a gathering for married couples, extending the invitation to nearby churches. It was a time of edification, fellowship, and spiritual guidance through the Word of God. We give thanks to the Lord for every couple who was able to participate, and we continue to pray that He will strengthen marriages and use them for His glory. Likewise, we celebrated "Friend's Day," an annual event we hold with the purpose of sharing the Gospel with new visitors. We thank God that we received seven visitors and were able to enjoy a very special atmosphere, where the message of salvation was clearly presented.

We also had the opportunity to host the island-wide Pastors' Meeting at our church. It was a very fruitful time, during which Mauricio preached on the importance and necessity of biblical counseling within churches. In the month of March, Melanie's family faced the passing of an aunt. However, even amidst her family's grief, God gave us the opportunity to be a source of encouragement to them. Mauricio also had the opportunity to share the Gospel at the funeral, trusting that the Word of God does not return void. Furthermore, we were greatly blessed to attend a retreat for pastoral families. This time was one of rest and spiritual renewal, allowing us to return with renewed strength to continue serving in the Lord's work. Recently—through a connection made by a sister in the faith—we had the opportunity to share the Gospel with her neighbor, and this individual made a profession of faith in Christ. We are currently visiting him weekly to teach him how to read and to instruct him in the Word of God. We ask that you join us in prayer that God may continue to work in his life and strengthen his faith.

We continue visiting families, sharing the Gospel, and serving in every way the Lord permits us. Our desire is to remain useful instruments in His hands, carrying the Gospel for the glory of His name. We deeply appreciate your prayers and constant support, which have been of great help and encouragement to keep moving forward in the work of the Lord.
