

Summer Solstice Celebration **Festival of Light**

Saturday, June 20 5:30 - 9 pm

Come and be part of the magic —
as we celebrate the longest day of the year and
the many ways light expresses itself through creativity, connection,
and community.

5:30 - Opening Gathering

Welcome, blessing and creative activities centered on presence.

6:30 - Voices of Unity Open Mic

An informal open mic where participants may share poetry, storytelling, music, or reflections.

8:00 - Sound Bath and Closing Reflection

A shared sound bath where participants are invited to bring simple instruments and join in the evening's closing reflection.

*The Gallery (featuring art from all disciplines) will be open throughout the festival so people can explore artwork and creative expressions at their own pace.

This year's theme is **Community**.
A reminder that light grows brighter when shared.

*We warmly invite artists, musicians, poets, writers, photographers,
gardeners, bakers, healers, and creative spirits of all kinds
to share their gifts with your community.*

Be a part of the magic.

Whether you come to share something or simply to be present, all are welcome.

Sign-up on the Unity website or contact Tanya or Di for more information.
