Updates From Partners

The Heisslers

Greetings in Christ's name. As the last two months have passed, we are making life as a family of six. We are blessed to have baby Ezra as a new addition to our family. He brings us a new perspective of what life is like with four little ones and an incredible amount of joy. We have equaled out the numbers. Off to raise two boys for the protection of their two sisters.

As a family, we were off from church-related events or ministry for a while since the baby's birth, so there was a need for Mike to adjust to some schedule again. He was gradually able to get away more and be on ongoing meetings and at the church plants in April. As a family of six, we were able to attend a Bible study in Győr, where the desire is to get a new church plant running separate from the only unhealthy church in town.

Heissler Family with Paola's parents and Mike's family

Updates from Partners Cont.

In the beginning of April, Mike was able to tag along with Marton and Grant to a local disability home in Oroszlany. It was a great opportunity to share testimonies and to preach the Gospel. This new way of preaching and teaching can be very beneficial for the sake of the Gospel locally.

Prayer Requests:

- Please pray for Grace that Pao could be fully recovered and back to normal without weakness or tiredness from the operation. Pray that God would enable Pao to adapt to the language well and that she could become fluent in Hungarian for the sake of the church.
- Unfortunately, Paola's Hungarian residency permit is still pending because we are waiting for an official document from Mexico. Pray that the document from Mexico would be sent to us and that Pao would receive her permit to be able to stay in the country.
- While Mike is on trial to become a pastor here at Oroszlany, the desire is to be useful for the LORD, on one hand, in getting the Publishing Ministry up and running. It seems, Grace to You EU will assist in the first book to get translated into Hungarian. Pray for all details to work out and for no issues from the Hungarian officials.
- Pray for being able to serve the LORD faithfully in all that is available in this small church in Oroszlany Baptist Church. There is a great need for another elder and for coherent expository preaching of God's Word.
