

Dear Friends,

I pray that this finds you doing well! As I write this to you, I have a sweet friend who is in surgery on my mind and in my prayers. I know that God is watching over my friend, and watches over each of you as well.

We are currently finishing our fourth year together at St. Andrew's UMC and our third year together at Nolanville FUMC. The longer I am here in ministry with you, the closer I get to you and the more love I have for you. This leads me to deeply feel for you when you all go through trials and adversity. This also leads me to great joy with you as you share with me the celebrations and special moments in your lives. The common denominator is that God is with us, and we have each other! Isn't God good?

As we care for one another through the ups and downs of life, we remember that Jesus is not a stranger to the heartaches and the celebrations that come with this life. We looked at the death and resurrection of Lazarus during Lent. We remember John 11:35 which tells us that "Jesus wept." The tears of Jesus are tears that express all that God is doing in the world around us – they come from a place of deep, deep love. This is the love that God has for you and me. This is the love we share with one another. Through the ups and downs, and everything in between, we are secure in that love – *God's love*. That is the Good News, friends. Living out that love is the abundant life that Jesus calls us to.

During the season of Easter, our tears are turned to joy, anticipation, and miraculous hope. This is what the Resurrection of Jesus does in this world that God loves so much. My prayer for you this Easter is that your tears are turned to joy, and you are filled with great hope as you live out the abundant life that Christ offers. Please know that you are in my prayers and that I love you. Blessings, Pastor Terry
