

HAPPY NEW YEAR FROM THE DREAM CENTER

2025 was an incredible year of **growth**, and we saw firsthand how meeting tangible needs opens the door for deeper relationships and long-term impact. As we move forward, our goal is to continue developing services that work toward long-term solutions, while also **prayerfully expanding** into new areas as opportunities arise.

PLANNING AHEAD FOR 2026

The **Columbia Dream Center** operates entirely through the generosity of individual donors, churches, and local businesses. We were truly blessed by the incredible support we received last year, which allowed us to serve hundreds of people throughout Columbia.

As we look ahead, **our goal for 2026 is to raise \$50,000** to support our existing programs and to help launch the Youth Mentorship Program.

The **Youth Mentorship Program**, which we hope to launch this summer is designed to provide at-risk students with a safe place to grow, learn, and build relationships with caring, trustworthy adults. Investing in our youth is an important way to invest in the future of our city.
