**About this camp:** This specialty camp will take the kiddos outdoors for “plein air” painting (in french meaning “open air”) with instructions from Mrs. Leong. The children will have a safe space to creatively express themselves as well as build connections and foster compassion. We will also learn that KINDESS is one of the Fruits of the Spirit (Galatians 5:22-23). Let’s start the new month and the new school year with KINDNESS!
