Synod Assembly 2026: Connected

[Jesus said] I am the vine; you are the branches. Those who abide in me and I in them bear much fruit, because apart from me you can do nothing. – John 15:5

Wherever you're planted, tend to the connection. – Presiding Bishop Yehiel Curry
There is no disconnection because that is not God's way. – NWLM Synod Bishop Julie Schnieder-Thomas

First and foremost, THANK YOU for all your support as we hosted this year's NWLM Synod assembly. The 200+ voting members of the assembly from around our state were grateful for our incredible hospitality and warm welcome. They admired everything from the art on the gallery wall to the mulch in the landscaping. The workshop we led about several of our ministries (Jubilee Garden, Bees, Maple Syrup, Native Plants, and Solar Panels) was the highest attended workshop with 92 registered participants. I got several requests for our communion bread recipe and many folks commented on how wonderful worship was in our sanctuary. People thanked me and our other volunteers for how smoothly everything went from the moment they entered the parking lot and were guided to a space to the meals and the clean and never crowded bathrooms! It was truly a blessing to have our extended family of faith in our building to share the joy and unity of being part of Christ's body, the Church, together.

Thank you for all your hard work preparing for and serving at this event.

Shalom, Pastor Rachel

The worship service and business portions on Saturday were recorded and are available on our YouTube channel: https://www.youtube.com/watch?v=03f2bF7Ifgs&t=21919s

- Bishop Julie's sermon, from which her quotation above is taken, begins with the gospel reading (around the 31:50 mark)
- The choir sings Caminemos con Jesus and both I and Rob Wagley lead verses of it (around the 58:38 mark)
- Bishop Julie thanks us for hosting then introduces me so I can share greetings and offer the land acknowledgement (around the 1:55 mark)
- My husband, Pastor Chris Laughlin, shares news of his official retirement from the Army Reserve and greetings from ELCA Federal Chaplains (around the 3:17:40 mark)
- Pastor Megan Floyd, former POP youth minister, shares a prayer (around the 3:28:28 mark)

Library Update:
Father's Day is coming up in June and the POP library wanted to honor our fathers with a small display of two biblical fathers of importance, in which not a lot is known. The first is **Adam** of Genesis who is considered the first Dad and the "Father of Mankind." The second father is the **Joseph**, the husband of Mary and the guiding father figure of the life of Jesus. Take some time to look at the display about these two interesting fathers. Also best wishes and a Happy Father's day to all the fathers in our POP family.

Social Concerns

Social Concerns Update –
Focus On the PMP (Plastic Mat Project).

For approximately 15 years plastic mats made out of recycled cleaning bags have been sent to several African countries (latest being Ethiopia) for poor people who live in huts & sleep on dirt floors. Even the homeless in Kalamazoo have benefited from the project. Due to new Government restrictions in Africa regarding plastics and tariffs on the incoming boxes of mats, it is sadly necessary to retire the project.

Under the direction of our Valerie Flagler, many devoted & dedicated volunteers were instrumental in making the mats, especially the many members from POP for whom Valerie was most grateful. Blessings to you all.

Save the date for Project Connect!

Wednesday, October 14, 2026. Housing Resources Inc. will again host the event at their site. We will supply a Free Store for guests, and welcome you to join our PC team.

More information will follow soon.

News from the Endowment Committee

The Extended Ministries Endowment Committee is pleased to announce that funds will be available in 2026 for disbursement to potential extended ministries that are not supported by the operational budget of POP.
The amount available for 2026 is $8,260.69.

New recipients are prioritized over recipients who have received funding in previous years. All requests are carefully evaluated by the Endowment Committee.

The committee welcomes written requests with the following information: 1) Name of requestor (POP member) 2) Name of extended ministry 3) Brief description and potential impact of the ministry 4) Amount of monies requested.

The Endowment Committee will then review the request and determine if monies will be distributed. Please contact Mark Clyne via email (markclyne@sbcglobal.net) or any of the other Endowment Committee members (Carole Nelson, Joyce Stout, Alex Baas-Peterson, Don Jones) or fill out a paper form available from the church office with any requests and place them the Endowment Fund mailbox in the workroom. If you use a paper form, please notify an Endowment Committee member as we currently do not monitor the mailbox regularly.

Please submit your request at least 1 month in advance of the need for the money to allow us to process your request and before June 30th to insure funds will still be available for your request.

Fellowship

"June is the pearl of summer, shining with warmth and joy!"
– L.M. Montgomery

Women's Retreat 2026
24 women gathered at Das Essenhaus Conference Center for a women's retreat to further explore their faith journeys and share their faith stories while exploring the Biblical story of the Woman at the Well.
There were three sessions lead by Beth Whately, Laurie Brown, and Intern Kathleen Robinson.
Participants also did a little shopping and partaking of Das Essenhaus' delicious food. It was a wonderful event that not only strengthened the ability to "go and share" the good news of Jesus' love, but expanded existing friendships and created new ones.

Book Exchange
Need a book for summer?
Be a part of POP's first book exchange, bring 5 book to exchange before Worship to the gym on **June 14.** Then after worship, stop back in and chose the same number of books to take home with you.
All books are welcome including children's books.

Kalamazoo Growlers
POP will spend a lovely summer evening cheering on the Kalamazoo Growlers on **Friday, June 26th.**

First pitch will be at 6:35PM. Tickets will be $15 per person and will include a Growler's hat! (Children 3 years and younger are free.) The seats this year will be on the 1st base line behind the Growler's dugout. (No more sun in everyone's eyes!) This is also "Touch a Truck Night." A variety of vehicles – police cars, firetrucks and more are open for kids to explore. Sign up in the Gathering Space.

Sunday Fellowship
We are in continual need of volunteers to handle the coffee fellowship after service. If you enjoy grabbing a cup of coffee every Sunday morning, please consider volunteering for a turn. It is a small commitment *(not complicated at all)* that really does add to the fellowship and community of POP.
We have prepared a list of instructions that can be referenced to make this easier. Please contact any member of the Fellowship Committee for details.

Euchre Night Interest
Play euchre? Want to learn? We are exploring interest in a possible euchre night. We could accommodate teams and single players.
We are also considering a "learning table" so those new to the game can learn without the pressure of being thrown into a table of seasoned players. Please contact Gail MacNellis or Sandy Foster if this is something that might interest you. There is also a sign up in the Gathering Space.

Local Outing Ideas
Be advised, unless noted, these will require an entrance fee or tickets. Google the individual event for additional details to plan your outing.

For this month's Fellowship suggestions, grab a friend and support local businesses by attending a local Farmer's Market!

Kalamazoo Farmer's Market – every Saturday through October, 7AM-1PM – 1204 Bank Street

Portage Farmer's Market – every Sunday, 9AM-1PM - the Portage Zhang Senior Center.

Texas Township Farmer's Market – every Saturday, 8AM-Noon – 7110 West Q Ave

Richland Farmer's Market – every Wednesday, 3PM-6PM – the Richland Community Center

Vicksburg Farmer's Market – every Friday, 2PM-6PM at 300 N. Richardson Street

For family fun, the Kalamazoo Valley Museum has a new exhibit for summer, "Dinosaur Explore" which features "displays that show the science behind dinosaur adaptations and the connections humas share with these prehistoric creatures."

The museum is open 10AM-4PM Tuesday through Saturday and 12PM-4PM on Sundays.

Children and Youth News

May is a very busy month of end-of-the-year celebrations, testing, competitions, and graduations.

Em was able to see several of our young musicians at their spring concerts as they demonstrated a year of hard work and dedication to their instruments! We also celebrated our graduates on May 17th with our traditional liturgy during worship. The prayers of our community of faith go with you as you set off into the world!

The Christian Education Committee extends sincere thanks to all the Faith Formation teachers and helpers this year! May 17th was our final day of Faith Formation classes for the school year. Youth helped prepare for the picnic by setting up chairs, decorating the parking lot with chalk, and even readying the playing field for Chuck-A-Duck, our first fundraiser for the ELCA Youth Gathering in July 2027. It was a beautiful day for a celebratory picnic, and $328 was raised for the Youth Gathering trip.

In June, six of our youth will attend a week of camp at Stony Lake.

This week has always been a wonderful opportunity for connection with other Lutherans and with God's creation. Please be sure to wish our campers well when we send them off on June 21st! Middle and High School Youth will gather for the second annual Youth Retreat in July to learn, fellowship, and serve at Food Distribution on the 16th. We'll also uncover more about Jesus's life at Archeology Adventure, our VBS program for the summer scheduled for July 27-31, 6-8pm. August youth events are still in the works, so stay tuned for more information!

God Loves Us,
Happy Last Day of Sunday School"

Our graduates:

Family Faith Practices

Family Faith Practices
Faith is nurtured not only at church, but in every part of our lives! To tend our growing faith well, we need to engage with our faith in spaces beyond our congregational home. If you were in worship on May 24th, you may have grabbed a Family Faith Practice passport or list. There are still extras in the Gathering Space if you'd like one! We're also posting one faith practice per week on the church Facebook page. For the 17 weeks between Graduation Sunday and Rally Day next fall, try out one faith practice per week with your family. These are simply suggestions to try, so feel free to adjust them to suit your situation. If you would like additional suggestions or adaptations, please ask. We're happy to help! We pray that these practices will bless your household's faith journey together. We'd love to hear your stories and see pictures of all the ways you are nurturing faith in your daily lives this summer!

May and June
Find or create a family prayer to pray at mealtimes. Write it down on a poster to display by the table, on a sticky note to slip in your lunch box, or on a placemat to read at your seat. Read the prayer together once a day for a week.

Read a psalm together in the morning at the breakfast table or in the car. Let the words guide your day. *(Hint: try one of these! Psalm 23, Psalm 46, Psalm 121)*

Pick a word that comes up a lot in the bible *(Hint: try one of these! Love, child, forever, help.)* Give everyone a chance to look through their bible to find a place where the word is used. Read the different places together and compare and contrast how the word is being used. Bonus points if you use different kinds of bibles!

See how many bible stories you can name! Can you sort them into Old Testament and New Testament?

Grab a story bible and turn to a familiar story. Look at the pictures. Without reading the words, summarize the story from your memory. Then, read the story together and see what you remembered.

Invite each person to share their favorite bible story or verse with everyone.
Read the story or say the verse together, draw or color a picture with the story or words, or use toys to act out part of the story together. Make sure to share why that one is your favorite!

"Reformation in Germany: In the Footsteps of Martin Luther" A Tour to Germany

A comprehensive tour to the land of Luther hosted by Pastor Harry Biles, Deacon Sharey & Pastor Rachel Laughlin.

For those of you who have heard Pastor Harry teach, you know his style is "easy on the ears" and long on information and stories. Pastor Harry, Deacon Sharey and Pastor Rachel have offered to lead Prince of Peace members (and guests) to experience Martin Luther's faith journey as the Reformation come alive.

This tour offered by EO (Educational Opportunities) Tours includes airfare from New York, first class hotels, breakfast and dinner daily, professionally guided tours (enhanced by Pastor Biles' lively commentary) and much more! Pricing starts at about $4,300 per person (not including airfare to NYC and back and other possible incidentals)

The tour is proposed for October 5-13, 2027.

We would like to gauge interest from POP members over the next few weeks. We plan to hold meetings soon to give you more information. In the meantime, Dale and Mikki Holder, and Rob and Chris Wagley (along with Pastor Harry and Sharey) can share information about this exciting opportunity for learning and fellowship.

An "interested (*but not committed!*)" sign up sheet will be in the Gathering Space over the next few weeks. Please help us assess the level of interest we have in putting a group together. Up to 50 spaces are available.

Justice and Diversity

Justice and Diversity Team news – June 2026 (contributed by Laila Poisson)

Maybe your June is filled with grad parties, weddings, and other summer events. But don't forget to take a minute to prayerfully consider that in June we also celebrate and support our siblings in Christ through LGBTQIA+ Pride, Juneteenth, and World Refugee day.

June is LGBTQIA+ Pride month.

When Jesus was asked for the greatest commandment, he said
"'You shall love the Lord your God with all your heart and with all your soul and with all your mind.'
38 This is the greatest and first commandment. 39 And a second is like it: 'You shall love your neighbor as yourself.'
40 On these two commandments hang all the Law and the Prophets." (Matthew 22: 36-40)

The LGBTQIA+ acronym stands for lesbian, gay, bisexual, transgender, queer or questioning, intersex, asexual or aromantic, plus other identities. You might also see "2S" added to this acronym for "two spirit." I know that a lot of terms have been added or changed since I was my kids' ages. But one of the ways we can show love for our neighbor is through using respectful language and continuing to learn new vocabulary. The June bulletin board, near the PoP office, will have some definitions for these terms. There are some printed booklets of terms in the welcome area and these booklets also talk about why pronouns are important https://www.reconcilingworks.org/resources/sogie/.
For another resource, see the GLAAD reference page for the media. It is good for defining terms and learning what terms are now considered outdated language and to be avoided https://www.glaad.org/reference/terms

Juneteenth (June 19) is a celebration of the day that the Emancipation Proclamation finally reached Galveston, Texas. Even though Abraham Lincoln declared the end of slavery on January 1, 1863 it took 900 days (almost 2-1/2 years) for the news to reach all of the towns in the US.

It is not surprising then, that many African Americans see June 19 as the nation's second independence day (https://nmaahc.si.edu/explore/stories/historical-legacy-juneteenth).

In April, Steve and Nancy Pendziszewski and I attended a 2-1/2 day anti-racism training from ERACCE (https://www.eracce.org/). One of the group activities was to make a large timeline across the walls that showed the history of systemic racism in the US from 1492 to today. It showed us that for all of the history of our country, there have been rules made based on racial prejudice. But the timeline also showed that for our whole history there have also been people working to stop unjust policies. Juneteenth is a celebration of one of the victories.

World Refugee Day is June 20th, and the United Nations Refugee Agency (UNHCR) is thinking about soccer. A refugee is a person forced to flee their country because of violence or persecution. At the 2026 FIFA World Cup there are 8 players, called The Game Changers, who were once refugees. These players are working with the UN to show how sport helps children find a place to belong – even those who have had to leave their homes and start over in a new country. https://www.unhcr.org/gamechangers.

PoP has worked with the Samaritas "New Americans" program for many years to help people settle in Kalamazoo County. The PoP Refugee Closet has furniture, dishes, and other home goods that people need to start a new life in a new country. https://samaritas.org/new-americans/
