March was a much better month for us at Grace. Most everyone stayed in much better health.

We were even able to have our Fellowship Supper on March 25 with good attendance.

Please continue to pray for all those that have been sick, and pray for Grace that our attendance will increase. Most of all pray that souls will be saved through our efforts.

Most of us have participated in the US Public School System. I never realized until a few years ago just how the School System "grouped" students together, and how choices about things impacted what you did in life. Now, in my late 70's, I have found that Dr Calloway's message about "God re-parents us" given at our Bible Conference, March 17, 1985 is a great comfort and assures me that God is our Sovereign Providence. What God said to Ezekiel He says to you in light of today. Ezekiel is about when God restores a person from a life of sin, that restoration is complete. Being a child of God carries both great responsibility and great blessing.

Praying for you, and your ministries in Christ, 1 Peter 4:8

Hello from SLMBC,

<https://www.youtube.com/@SilverLakeMissionaryBaptistChu>

March was a great month here. The Lord blessed with a new addition to his church. Please be praying for Bro. Mike as he begins his journey with the Lord. We will be having his baptismal services in April.

Please be praying for our country and our leaders. We do not need to worry about the future, because we have assurance of who is in control. But, we need to be lifting our prayers up asking for God to place a burden on the hearts of everyone and that they would turn and follow him. Also, please pray for our military personnel.

Bro Tim Beasley
