

THE WAY

A JOURNEY THROUGH ACTS

Week 8 - Acts 4:23-31

Read Acts 4:23-31 and discuss with your group what stands out or seems out of place.

How did the sermon define cowardice as mentioned in Revelation 21:8?

What specific actions did Peter and John take immediately after their release from jail? Does this seem strange to you?

The apostles referenced scripture during their time of prayer and worship. What was the outcome after they prayed and worshipped together?

How can we apply the model of community and boldness show by Peter and John in our own lives and in our church? What does it mean to pray for proclamation rather than protection in our current context?

How can we actively respond to the Holy Spirit's prompting in our daily lives to demonstrate boldness?

What does being 'en...COURAGED' within the church look like in your life today? Share a specific time when this has happened for you. How can your group practice this?

Take time to pray with one another.
