Rev A Hunting introduced the 6 Areas of Interest (InReach, OutReach, Worship, Finance, Communications and Building/Properties) at the 2021 Vestry Meeting as a way to give focus to the tremendously good works being done by so many. Parish Council now organizes its discussions around these 6 Areas and is working to incorporate them into church operations.

There will be some cross-over and as activities change, leaders and participants may change too. If you have questions, comments or suggestions, please speak to Rev Alastair Hunting or any member of Parish Council
