## **An Invitation to Build Lives and Reach Nations**

June 1, 2026

Dear Friend,

Greetings in the name of our Lord Jesus Christ.

Over the past year, we have witnessed God doing far more than we could have imagined.

In Mexicali, what began as a small Chinese mission has now grown into a vibrant local congregation. Since moving into the new Karlson Memorial Building, attendance has continued to increase, and the church is now serving not only Chinese families, but also local Mexicans, youth, children, the elderly, and those living in poverty.

The new Agape Community Center is nearing completion. Our He-brews Café outreach will soon open its doors, creating opportunities to connect with neighbors and share the love of Christ in practical ways. Every week, meals are distributed to the poor, children are cared for, and lives are being transformed by the Gospel.

In Belize, God has also opened unexpected doors. A new ministry headquarters is being established, and plans are underway for a community farm initiative that can provide discipleship, vocational training, and hope for the next generation.

As we look ahead, we see tremendous opportunities—but also significant responsibilities.

The ministries are growing. More people are being reached. More communities are opening their doors. More workers are needed.

Our desire is not merely to maintain existing ministries, but to continue advancing the Gospel where Christ is not yet known and where people desperately need hope.

Would you prayerfully consider partnering with us?

Your gift will help:

- Support local pastors and ministry leaders
- Complete community outreach facilities
- Expand children, youth, and mercy ministries
- Develop new ministry opportunities in Belize
- Equip future leaders for long-term Kingdom impact

We are not asking you to simply meet a budget.

We are inviting you to invest in lives, families, communities, and eternity.

Many of the people we serve could never repay what has been given to them. Yet through your partnership, they can hear the Gospel, experience Christ's love, and discover a new future.

Thank you for standing with us in this Kingdom work.

Together, we can continue reaching people from the Chinese community, local Mexican communities, indigenous populations, children, and the forgotten.

May the Lord bless you richly as you seek first His Kingdom.

In Christ,
