Introduction

A Year of Rest!

The Lord is preparing us for a season that is to come. Not just a new season for CHOOSE LIFE Church but for a new season for God's church around the world.

There is a move of the Spirit of God that we have dreamt about, and prayed for, that is about to take place. An end time harvest!

An end time harvest is not man's idea; it is God's idea.

Joel 2:28 "I will pour out my Spirit on all flesh."

When the Holy Spirit was poured out on Pentecost, 3000 souls were saved. See Acts 2:41.

In Acts 4:4 another 5000 people believed in Jesus.

The harvest is not a modern strategy, it is sovereign, established from the foundation of the church.

God is wanting us to be filled and burning with the Holy Spirit, so that we can be bold and ready to witness about Jesus.

1. Moments of fire

In 1949 the Hebrides Revival took place in the islands north of Scotland. The Lord used to elderly ladies in their 80s. One was even blind. They prayed to God for a breakthrough, and the Spirit of God moved powerfully. They called a Pastor named Duncan Campbell from Scotland to come and preach. But the Holy Spirit was convicting people, and purifying the Hebrides islands. Duncan Campbell said that 75% of the people that came to Jesus, he never preached to. It was a sovereign move of God where entire villages were swept into the Kingdom.

In the 1960s the Jesus movement took place on California. The Holy Spirit moved and many hippies were saved. The move was counter culture, and people's lives were transformed by the radical love of Christ. They reached out to Pastors for discipleship. Some pastors rejected them,

but fortunately other pastors welcomed them in. The Lord is preparing us not to shun people that come in during the end time harvest.

In 1906 a revival took place in Azusa street in Los Angeles. Once again it was a sovereign move of God. The spark that ignited the global Pentecostal fire.

CHAOS = HARVEST

When you see the chaos, look for the harvest!

When you see the shaking, look for the gathering.

2. The Gen Z cry

Gen Z includes people born between 1997-2012. Those in the age category 14-29yrs. They are digital natives. Grew up with technology.

Three words describe this generation: Desperate / Anxious / Hopeful.

They stand at the collision point of survival and radical hope.

The Barna Group did research on Gen Z, asking them what they want from the church.

They want doctrine.

They want truth.

They are in search of reality.

They are looking for liturgy, silence and reverence.

In the UK, there has been a 425% growth in young men attending church. From 4% to 21%.

This is a silent revival, the whisper of the Holy Spirit to their spirits drawing them to God.

In February 2023, what began as a routine, 50-minute Wednesday morning chapel service at **Asbury University** in Wilmore, Kentucky. When the service officially ended, about 19 students lingered in Hughes Auditorium to pray. The worship continued, drawing more people, and turned into a multi-week, 24/7 gathering of continuous prayer, worship, and testimony that lasted for two weeks. During this time they had 50000 guests. A global hunger!

3. A global current

There is revival breaking out all over the world. Raw, unfiltered, prayer focused, Word-based revival. It is not a program; it is God's presence. Sovereign, Spirit-led, unplanned revival.

God is preparing us for the end time harvest. During our year of rest we need to prepare for a significant mandate as CHOOSE LIFE Church.

The testimony of Hatfield Christian Church is a testimony of the move of the Spirit of God.

120 people in the small church in Hatfield

800 in the Anderson street church

3000 in the tent

6000 in the Big church

Every place the Lord gave He filled up!

There will come a time where the Pastors will ask members to take the next 50 people that get saved, and disciple them.

There will come a time where you will be called to get involved. You may protest at first, but when you step out in faith, you will preach things under the power of the Holy Spirit that you never could have imagined.

You will be called to:

- Mentor (Through your proximity to people and your wisdom).
- Encourage (Fuel the fire)
- Trust God (To yield to the Spirit as He leads you into your specific role and ministry)

Heaven is waiting for our "YES".
