

New Life Summer Day Camp

We are delighted to share with you our 2026 school age Summer Camp information. This camp is open to children who will be 5 years of age by June 1st, 2026 through rising 5th graders. Please notice our Summer Camp Financial Policy. We are not a drop-in program and payment is required weekly regardless of attendance. No tuition adjustments are made for holidays or children attending other camps. You are allowed one free week; your child does not come, and you do not pay for the free week requested. Failure of payment will result in your child being dropped from the program. Payment may be made online at nlchristianacademy.com

To apply, please complete attached forms or forms located on the website at www.nlchilddevelopment.com under resources- forms- summer camp packet 2026. Please return or email completed forms to Tiffany Ballard, Summer Camp Director at newlifecdconcord@gmail.com.

Program Dates are May 26th – August 14th, 2026. Realizing that schools have different closing and opening dates, we will work with you on when your child will be beginning and leaving the program.

We offer three different options for attendance: 3 days \$120, 4 days \$140, and 5 days \$155. Once the \$100 registration fee and \$75 activity fees are paid, your child is considered enrolled. **Once options are decided on for days of care and lunch, no changes may be made due to staffing and enrollment.**

Our Activities consist of crafts, field trips, Bible study, STEM, Library and weekly swimming. Every day your child will participate in indoor and outdoor play time. You will need to provide a lunch and water bottle daily for your child if you choose for them not to order out. Breakfast will be served and ends at 8:30am. Your child **MUST** arrive before 8:30am to receive breakfast. Afternoon snack will also be provided at 2:30pm. There is an option to order out for lunch on Wednesday's (Chick-fli-a), Thursday's (Off the Grill) and Friday's (Papa John's) **ONLY**. Those day will not be adjusted due to your child's attendance. Your child's group leader will complete their lunch forms the Friday prior. There are pre-approved menu options from each restaurant.
