

Swimming / Money Information

The campers will participate in swimming every Thursday, weather permitting. Each child should bring a bathing suit, swim cover up, sandals or flip flops, and a towel. Items will be laundered after every use and may remain at camp ready for next use. Campers are allowed to bring goggles from home, however the camper will be responsible for them and are not allowed to share those with others. Life jackets and swimmyies are allowed. If provided, your child will be required to wear their floatation device at all times while in the pool unless written permission has been given. By the NC state regulation, sunscreen is considered an over-the counter- topical medication and you will be required to complete the form before we can keep sunscreen for your child. Sunscreen needs to be in a locked cabinet so it will NOT be able to remain in your child's swim bag. Please give the sunscreen to your child's group leader. Sunscreen will be applied before each visit to the pool. There is a snack bar located at the pool. Your child is allowed to bring spending money. All monies will need to be given to your child's leader before the trip. A child may only spend a maximum of \$5 a week. Please feel free to reach out to Tiffany Ballard, camp director, if questions.
