

Behavior Policy:

Our rules are simple. Follow Directions. Hands to yourself. Be Respectful, Honest, and Kind. Treat others the way you would like to be treated. The camp director will assess any problem that may arise. Depending on the severity of the situation and the number of offenses which your child has already, if any, will determine options taken and if parent will be notified immediately or just written Behavioral Report is needed. Attempts at redirection and communication will be applied before 1st offense is given.

1st Offense - Behavioral Report will be completed and signed by the Parent, Camp Counselor, and Camp Director. Parent will not need to be notified at the time of incident. Report will be signed upon picking up your child from camp.

2nd Offense- 2nd Behavioral Report will be completed as well as parent notification when incident happens. Parent will be notified if your child will not be attending field trip due to behavior and will remain at the Center with Daycare Director. If the Daycare Director is not available, your child may attend but will remain with the Camp Director throughout the trip.

3rd Offense- 3rd Behavioral Report will be completed as well as parent notification when incident happens. Upon parent notification, your child will need to be picked up and is considered dismissed from our program. If dismissal occurs, your child will no longer be eligible to return to our summer camp program in the future.
