

April 2026

Dear Friends,

Tranquilino was the neighbor of my son James here in Mexico City. (James is doing a great work with our graduates starting new churches. He has two churches who have had several days of over 300 now and is now working on a third church.) He had led several of his neighbors to Christ and was finally able to lead Tranquilino, who was bound to a wheelchair and quite sick.

James did not know that a few weeks later Tranquilino would die from a stroke. In Mexico the funeral is usually held at the house very quickly. They saw the family pulling up, and my little grandson Judah grabbed some tracts and said to James, "Let's go get the children saved!" My son was able to lead Tranquilino's two sons and two grandkids to Christ in the same spot their father had accepted Christ a few weeks earlier and was able to assure them they would see their father again!

In April we had 290,654 Saved in preaching services and 3,554 Baptized! Many more were saved door to door and in the hundreds of Churches we have started.

The works in South America and Africa are doing very well, and the pastors we are working with in the Philippines are seeing thousands come to Christ! We also had over 360 Saved in Spain in April in a campaign. We have some 17 evangelists working with our church. Most were saved here.

None of this is possible without your support and prayer. This is all fruit for your account in heaven! Thank you for keeping us on the field now since 1983. We love you very much and are grateful!

In Christ,

Kevin Wynne
