THIS WEEK'S SERMON:

"Changed by Love"

2 Corinthians 5:14-17

Pastor Matt Wallis

MISSION STATEMENT: *Love God, Love Others, Love All to Jesus*

ANTHEM

Changed (Paula Stefanovich)

Many times my heart has questioned, the reasons I was living for,
The pleasures of this world were leaving me, wanting more, something more.
Then You gave me life's true meaning. Not caring where my life had been;
You reaching out to me with Your mercy, and I will never look back again.
I've been changed by Your glory, I've been changed by Your mercy, I've been
Changed by Your marvelous grace; I've been changed 'cause You love me,
I've been changed 'cause You want me. I've been changed by the pow'r of
Your name. I will never be the same, I've been changed. Now tell me where,
Where would I be without You? And tell me what kind of future would I have,
If You had not come to my rescue, and given me just one more chance?
I've been changed by Your glory, I've been changed by Your mercy, I've been
Changed by Your marvelous grace; I've been changed 'cause You love me,
I've been changed 'cause you want me, I've been changed by the pow'r of
Your name. I will never be the same. I've been changed. Changed, changed!
Oh I've been changed by Your glory, I've been changed by Your mercy,
I've been changed by Your marvelous grace; I've been changed 'cause
You love me, I've been changed 'cause You want me. I've been changed by the
pow'r of Your name. Changed, changed, changed. Oh I've been changed 'cause
You love me. I've been changed 'cause You want me. I've been changed by the
pow'r of Your name. I will never never be the same! I will never never be the
same! I will never never be the same again! I've been changed, changed,
changed! I've been changed!

Hudson First
United Methodist Church

Mission Statement

Love God, Love Others, Love All to Jesus

VISION STATEMENT: *We strive to be a loving, and open family experiencing and sharing God's love for all people by generously serving Hudson and beyond.*

OUR CORE VALUES

A Family That Loves Honestly — We are committed to a community where every person is valued, heard, and embraced — with authenticity, humility, and grace. We seek to model the love of Christ by treating one another with honesty and respect, even when it's hard.

Rooted in Scripture — We believe the Bible is inspired by God and central to everything we do — our worship, our discipleship, and our mission. Scripture shapes how we live, what we believe, and how we serve the world around us.

Alive and Growing in Faith — We are a vibrant, ever-changing community committed to spiritual growth through small groups, prayer, Bible study, worship, and service. We believe transformation is ongoing — and we will keep finding new ways to deepen our life with God together.

Reaching Beyond Boundaries — We believe everyone deserves to experience God's love — so we go to them, meeting people in Hudson and beyond exactly where they are. Our church is a place where everyone experiences the welcome and acceptance of Christ. No judgment. No conditions. Just the open, accepting love of Christ.

If you are in need of a Stephen Minister and prayer, contact one of the people listed below:

Yvonne Noel, 727-863-5118
Paulette Wetmore, 727-808-6076

It is much easier to recognize error than to find truth: "*For error lies on the surface and may be overcome; but truth lies in the depths...*"Goethe

I am often more willing to recognize error in a friend, Lord, than to come alongside and walk with the friend toward truth. This day please help me make the right choices. Amen

WHEN YOU REACH THE END OF YOUR ROPE

IF you're at the end of your rope, Stephen Ministers can help you tie a knot and hang on. For someone who will listen and help you find the resources you need to get through the tough time, talk with one of our leaders. Yvonne Noel, 727-863-5118 or Paulette Wetmore, 727-808- 6076.

Please remember to notify the church office or Yvonne Noel whenever you or a loved one is hospitalized locally so visitation can be made by a Stephen Minister.

Yvonne Noel,
Stephen Ministry Leader

MELANIE'S MEDICINE

by Melanie Crawford, Parish Nurse

Family Health and Fitness Day is in June and June is also Men's Health Month. With everything going on, it is a good reminder to get back to or to continue getting Physical Active. The Go4Life campaign from the National Institute on Aging (NIA) has tips for staying active and healthy as you get older, and also good tips for everyone else.

Physical activity can make daily life better, and can help you stay independent as one gets older. You also have more energy to do what you want to do and reduce fatigue. Your balance is improved and the risk of falls of lowered. Physical activity can help manage and help prevent some diseases such as heart disease, stroke, diabetes type 2, osteoporosis and 8 types of cancer among others. Sleeping is improved along with reducing stress and anxiety. Physical activity can help maintain a healthy weight and help prevent those pounds from adding up. It also supports emotional and mental health. Kids and teens need physical activity also. Activity can help with better sleep, better mood, and better grades. When you move with your kids and /or grandkids it helps you too.

The biggest barrier I hear and have said myself is "I just don't like exercise". Good news! You don't have to run a marathon or go to the gym all the time to benefit from being active. To make physical activity more fun, try something you enjoy doing, such as dancing to the radio or taking a yoga class with friends. Many people find they start to like exercise better the more they do it.

Please check out the websites for information and fun activities. <https://odphp.health.gov/our-work/nutrition-physical> . National Library of Medicine www.medlineplus.gov . YMCA <https://www.ymca.net/>

Please check with your Physician before starting any activities and here are some questions you can ask: Are there any exercises or activities I should avoid? Is my preventive care up to date? How does my health condition affect my ability to exercise? Information from the Department of Health and Human Services obtained for this article.
