Selected Scriptures

There are at least two opinions that pertain to the future Kingdom; one is it is strictly spiritual while others say it is physical.

Here at New Life, we would then take the viewpoint that it's spiritual and physical.

The first characteristic of the Kingdom that we want to understand is the _____ of the _____.

The time of the Kingdom is at the second coming of Christ following the tribulation.

Both the name and appearance of the coming King tell us who He is.

And Jesus will come _____.

Where Jesus goes, we go. If He comes, we come with Him.

Nothing is more ironically appropriate than for God to permit the military assembly in Palestine to be wiped out in the very land where a satanically inspired world once passed judgement on the very King that is going to win that very victory.

The Bible always anticipates Christ as the King. And you know when the world rejected Him, they rejected Him as a king. They didn't want Him as King.

There's only one individual who can make the utopia happen, and that is the King whose right it is to rule, and it is none other than Jesus Christ.

Second, the Kingdom will be characterized by the _____ of the _____.

Satan is the _____ of the Earth.

The rebels in Israel according to Ezekiel 20 have been purged out.

By this time there's only one rebel really left, and it's Satan himself.

Satan is not the _____ of hell; he's just one who is incarcerated there.

For the thousand-year Kingdom, Satan is going to be stuck in the abyss.

He's called the dragon, which refers to his bestial cruelty, his oppressive powers. He's called that old serpent, the same one that was in Eden. He's called the Devil, which *diabolos* means a slanderer, a liar. He's called Satan, which means accuser.
