WE HAVE A BUILDING!

Just after sending out our prayer letter last month, I got a call from the real estate agent to let us know the building we were interested in was rented to someone else. Reeling from our disappointment, I took a quick look for other properties and saw another building.

We went to look at this other building the next day. It is a second floor space just above a corner shop in a Catholic area known as New Lodge. Just behind and around this building is a residential area, including 6 tower blocks of flats. One thing was missing: a church.

Just when one door shut, the Lord opened a new door. One visit and we knew this was where the Lord wanted us to start. We were able to rent this space and begin preparing it. Praise the Lord for helping us to find a good deal on flooring, which was installed this past week. Not much longer and we will be able to begin services!

Thank you for praying for us as we were searching for a building! The Lord heard and helped to direct us to this location. Please continue to pray as we prepare to start this new work the Lord has given us!

Thank you,

Sam, Beth, Ruby, and William Quinn

Special Edition Kids Corner! Ruby was very excited to have gotten a 100% on both her spelling and numeracy tests last week! She worked very hard, and we are thankful for a good school for our kids!
