Dearest Bro. Chance and Harpeth Baptist Church Family...

Oh what a blessing to witness your love for missions and missionaries through your Missions Sunday! Harpeth is personally invested in an all types and all places ministry...and all at the same time! What a great testimony you have not just in Tennessee but as evidenced through the videos...throughout the world!

We were overwhelmed by your thoughtfulness and your generosity. The 'Blessing Bag' we received was so very personal, fun and even lavish!!!! The travel snacks and items came in handy the very next day for us. The gift cards....more generous that we deserved!!!! Harpeth's 'Love Offering' on that day is STILL blessing us. Your 'International Lunch' was with obvious great effort and attention... to give members and visitors alike a 'taste' of what He has for all of us!

Every prayer, every testimony, every life touched and every soul rescued by Harpeth's investment and involvement in Missions is 'fruit that may abound to your account'! And it's gonna be oh so sweet! Thank you for faithfully having a great part in our ministry throughout Central and South America. 57 non-Christian radio stations have gone against their regular programing to give a moment for God to work in the hearts of men! The last two days we've not left our offices as we spoke by phone and through email and texts to new Believers, faithful students and Radio Station owners in Guyana, Suriname, Colombia, Panama, Costa Rica, Nicaragua, Guatemala, El Salvador, Belize and Mexico! Now that truly lights a fire in our hearts and keeps us keepin' on!

Bendiciones to all....
