Dear Co-Laborers in Christ,

Greetings in the precious name of our Lord Jesus Christ. We are very grateful for your prayers and faithful support of the work here in Tela.

This year God blessed us with unusually cool temperatures, but alas, we are back to reality - 105° each afternoon – and we are feeling it.

In April we taught a course on sharing the Gospel. We are encouraged to see several adults sharing their faith with their coworkers.

Rose is a lady I met one afternoon while visiting in a poor section of town. She looked very sad and it was obvious she had great needs. I shared God's love with her and her two daughters, and they placed their faith in Christ for salvation.

We have also experienced sadness this month watching some of our teenage boys join the gangs. Miguel is only 14. He has attended Sunday school off and on for many years. It is so sad to see him on the streets now selling drugs with one of our other boys. We know God's grace is greater than sin and we pray God works in their hearts and protects them.

We pray God richly blesses each of you!

Sincerely,

Napoleon & Esther Flores

Saturday morning

We had the privilege of hosting Ariel Alvarez and his wife Betsa, missionaries to Guatemala. They were a great blessing to the children and teens.

The work on the wall is nearly completed. Next we will begin preparations for the metal roof.
