MARCH – APRIL 2026

THANK YOU FOR YOUR PRAYERS!

Colombia is governed by secularism, yet the Gospel remains powerful enough to set its people free. I ask that you pray for our country; presidential elections are coming up in a few months—may God have mercy.

Edification meetings

We continue to meet every week, engaging in expository preaching. The brethren are learning how to study their Bibles using sound biblical study principles.

We are able to teach new believers about the Christian walk and the nature of God. We also conduct discipleship sessions and make weekly visits to encourage them and pray for them.

Reaching out to children

We have scheduled several events specifically aimed at children. We held an evangelistic outreach day at La Armonía Park, featuring songs and group games; at the end, we preached the Gospel to them. There were over 40 children and 30 adults in attendance. We were able to conduct two separate sessions with different groups of children that same day.

Honoring moms

We held a special Sunday service to honor mothers on Mother's Day. It is important to us to teach and cultivate an environment where the brethren can learn to apply the biblical text: "And let us consider one another in order to stir up love and good works." We had 6 visitors, some of whom came to salvation. We are praying for them and encouraging them to persevere in the faith.

PRAYER REQUESTS:

- Wisdom to lead and counsel
- That our visitors may be saved and discipled
- Strength for new believers

In Christ,

Christian, Cinthya, Camila y Mateo.
