Beloved pastors, churches, and brothers and sisters in the faith. Grace and peace be to you from our Heavenly Father and the Lord Jesus Christ.

By the Lord's grace, we have shared the gospel of grace with many people. We have been evangelizing around the park in Santa Cruz de Yojoa; many have heard the gospel, and some have made a profession of faith. Brother Ángel made a profession of faith after three years of knowing him and sharing the gospel with him; he finally made his decision and is encouraged. He has a partner, Julia; they are not married, but he desires to marry and set his life in order. Let us pray that this brother decides to please the Lord. Let us pray for more courageous men and that our God works in their hearts.

We held a baptism; Sister María decided to obey the Lord. Please pray for her, as she is facing health difficulties and needs surgery.

Due to the heavy rains here in Santa Cruz, the entrance to the house where we hold services becomes very muddy. This has led us to consider starting construction on a structure on the church's land for our services, as we need a place to gather without dealing with constant mud and the water that floods the area, even reaching the house's porch.

God gave me the privilege of preaching to the local police officers, and the station chief, David Barahona, made a profession of faith. Let us pray for the police officers, that God may continue to save them.

We also shared the gospel with the teachers from the nearby school. Please pray for them; they were very kind and told us the school was at our disposal.

Prayer requests:

- Funds to build and hold services on the church's land.
- That God raises up courageous men and women willing to serve our beloved Savior.
- That the Lord continues to protect us from all danger.

I am grateful to God and to you for your unconditional love, provision, and financial support. With much love in the gospel,

Familia Martínez Mejía (Yery, Sujeylí, Rebeca y pequeño Yery)
