Your support for Fundamental Missions, Inc. for the month of March 2026 was received with much thanksgiving. Please forgive the lateness of your receipt being mailed.

In the February receipt letter, I asked prayer that the rest of my daughter's household would not become ill with Covid as was her husband. Well, she, her son, and I, did get ill. We thank God for His mercy in this hard time. During this sickness I also fell again, and 911 was called. In picking me up, the men who came, caused my ribs to be injured, which took added time to recuperate.

Then there has been a fraudulent attempt to steal the funds I sent by wire to one of our faithful workers overseas.

All of this has been a difficult time for me, but I praise the Lord for His peace given so lovingly.

I praise our Saviour for giving understanding prayer partners for this small mission which is still the object of His love. Thank you, dear ones!

In His Strength,

Janet K. Matson

Dear Sister Janet and Praying saints,

Loving greetings in the Name of Jesus, the Mighty Lord of Life.

By His grace and mercy, His ministry is on the move.

Every arm of gospel and every mouth is declaring His love and salvation in Jesus' Name.

We scheduled baptisms this week. Please remember in your prayers.

Satan is at work at all-times, to halt gospel., but the Lord leads His people across sea and rivers,
walking before us like Burning Fire.

A Christian family, in which their elder is now 120 year old, whose eye sight is bright, recognized every member of his family by name. He conducts his daily routine himself. I am yet to meet him some day. His granddaughter is in Lord's service too.

Moses was called up the hill, to meet Him, and Moses went up at 120 years and he did not complain. Same Lord of Life and strength even now can extend His grace to His beloved servants. You are in our prayers daily. Every act of loving gesture towards this ministry is thankfully valuable and considered as His Hand in it.

Shall write to you later after Easter celebrations.

God be with you and keep you safe in body and spirit, as a blessing to many ministries, dream of Bro. Jerry, in Love of Jesus.

Yours in His ministry,

Rai, Mishel, Susanna

Greetings to all of you in the Mighty name of the Lord Jesus Christ. Hebrews 13:8.

"God hath spoken once; twice have I heard this; that power belongeth unto God. Also unto thee, O Lord, belongeth mercy: for thou renderest to every man according to his work." Psalm 62:11-12.

"Our help is in the name of the Lord, who made heaven and earth." Psalm 124:8.

"Blessed is everyone that feareth the Lord; that walketh in His ways." Psalm 128:1.

By the grace of the Lord Jesus, I could witnessed to many people. Thanks Lord Jesus for His grace. When I was distributing on the way, many people asked questions about God. When I was witnessing near hospital car park a man asked about the divinity of mother Mary. He is Catholic and also asked about Islam. I explained to him about mother Mary. She has no divine character. She is like others. Catholic church is false religion. They have no part with the Lord Jesus Christ. Because they are not obey the words of God. They are against the truth (Bible) They do what God says not to do. They do everything according to their pleasure. They pleased devil. About the Islam, it came A.D. 600 and taken 5 books from the Bible. First 5 books and they're also doing against the truth of the Lord. Then that person is very happy. He wouldn't let me leave him. Thanks Lord Jesus.

Another day when I was distributing gospel tracts near fishing market, there were three people. One person got a gospel tract. And other person rejected and shouted at me and said, "My parents gave me a religion, Catholic. I believed that. I don't want another religion." And again, he shouted at me. Then I gave gospel tract to third person and he got it. Thanks Lord Jesus. When I left them person who rejected, continually shouting at me. I don't care about that. Because as a servant of the Lord Jesus Christ, I faced threats from many people and at hospital ministry.

Another incident is in the vegetable market. I am going everywhere. There were 3 people. When I came there one left. I talked to other two people. Both of them are Buddhist. One person said "If anyone give free, we are welcome." Then I gave gospel tracts. And said, "Jesus calm storms." Then they said, "We do not believe." I said to them, "It has written in the Bible." Then one person said that "We do not believe the Bible." Anyway, I am happy that they got gospel tracts to read. Thanks Lord Jesus for His grace. I went to fishing and gave gospel to fisherman. Thanks Lord Jesus. Wherever I go, I take gospel tracts with me. By the grace of the Lord Jesus I witnessed to many people and now people are thinking about this.

We love all of you and are praying for you. Thank you for all your prayers and care. May Lord bless you all.

"Grace be to you and peace from God our Father, and from the Lord Jesus Christ." Corinthians 1:2.
