May 2026

Dear Pastor Campbell and Church,

I really appreciate your prayers for our children's meetings. The meeting we had scheduled in April was canceled but we were able to have a meeting on May 16. After having no children show up at previous meetings and several meetings being canceled the Lord sent us a grandmother with her three granddaughters. We were so thankful and had a great time with these precious people. Pray for them to return again next month and for other children to attend.

Thank you also praying for Haruka. She graduated from high school in March but was unable to pass the entrance exam for the university she wanted to attend. She is going to take this year to study and try again next year. The one good thing is that she has resumed studying English again. It is a great joy to be able to teach her both English and the Bible. Continue to pray for her spiritual growth and her studies.

I was able to meet Mrs. Teraoka twice in April and we are going to meet again next week. We always enjoy our time together and are able to discuss many things as well as the Bible. Please pray for her to be able to attend church.

Recently I have been given the opportunity to teach Sunday School once or twice a month at the church in Takatsuki via Zoom and will teach again on May 31. It has been a great blessing and I'm thankful to be able to do this.

Thank you for your faithful prayer and financial support.

In His Service,
