

HORNOR FAMILY

MARCH

Our men's prayer breakfast is going well. It is a wonderful time of fellowship and discipleship. Please continue to pray for the men in our church.

By God's goodness, we still have a good group knocking on doors in *Mocorito*. This past Sunday, we had another Bible study, and we thank the Lord that it was well attended. Continue to pray for the salvation of souls in *Mocorito*.

The youth group is growing as kids are now in junior high. We had 22 young people attend the youth meeting. Please pray for their salvation and consecration to the Lord.

End of March, we attended our mission agency's retreat in Phoenix, AZ. It was a real blessing to see colleagues and friends and to be able to minister one to another. I also had the joy of teaching chapel one morning in the church's Christian school.

APRIL

We had a wonderful day of fellowship, fun, and food on Good Friday. Many visitors came, including some good friends from two other churches.

Also had the blessing of celebrating our Lord's resurrection with an early morning service, Lord's Supper, and breakfast.

Pastor and Meta camp director, Jim Gardner, preached for our 29th anniversary. Also, three people followed the Lord in believer's baptism. Please pray for them.

Children's Day (April 30) went well, and there was excellent participation from our young people and families from church that helped. A good number of parents attended with their kids, too.

MAY

Mother's Day. We are thankful for each one and for the visiting mothers that day.

A women's conference in *Mazatlán* (about three hours south of us) went well, and the women enjoyed good times of fellowship and sound teaching from God's Word.
