

# 7 PILLARS OF GHG

THE PRINCIPLES EVERY CHAMPION SHOULD HAVE

# PURPOSE

At GHC, we want to help every champion find their purpose in life. The purpose is the WHY! Why was I born and why am I on this Earth? With the help of Christ, we hope to answer that question for every champion!

**WHY?**

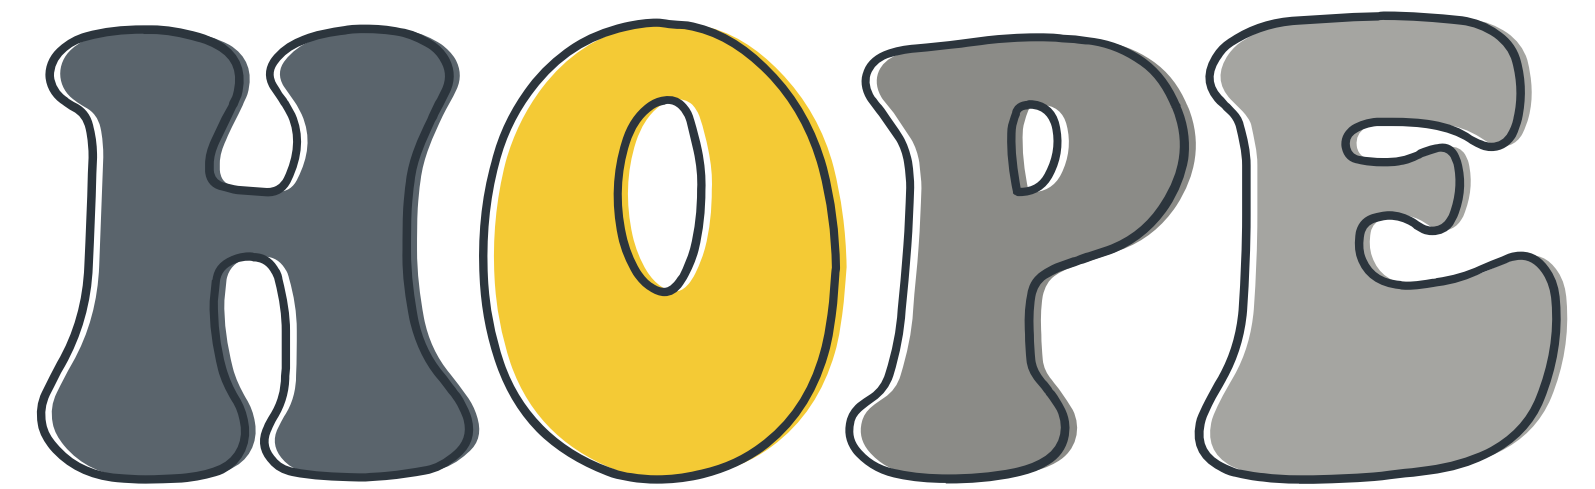

# LOVE

As hard as it may be, we must learn to love LIKE CHRIST! We must practice patience, forgiveness, and grace so that our Heavenly Father will be pleased with us. At GHC, we want to establish an environment of warmth and love, no matter who you are or where you come from.

# HOPE

We sometimes live in a hopeless world. At GHC, we want to instill and inspire the community that there is hope for the better. You can have the job, the resources, the marriage, the life! But the hope can't be in man, but only in JESUS!

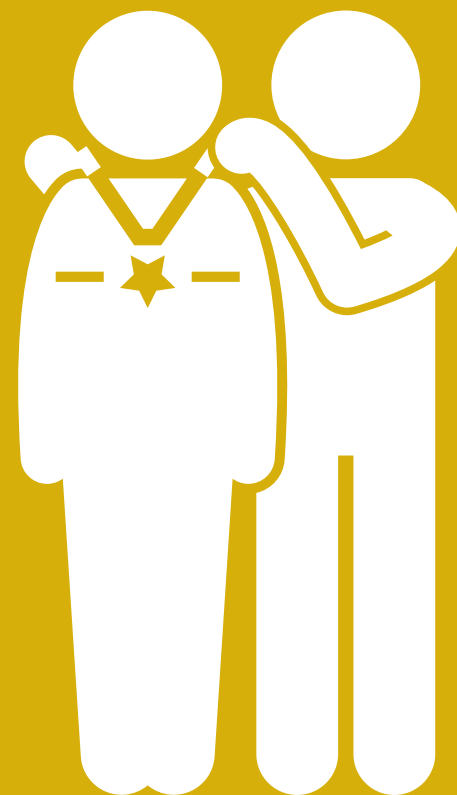

HOPE

The word "HOPE" is rendered in a stylized, rounded font. The letter 'H' is dark grey, the 'O' is bright yellow, and the letters 'P', 'E', and 'E' are a lighter grey. Each letter has a thin white outline and a slight drop shadow, giving it a three-dimensional appearance.

# HONOR

Honor, per the dictionary, is defined as “great respect, and great esteem”. Too many times, people are treated terribly. This is not by the world but by the church! At GHC, we strive to create a culture of honor! This is a place where everyone is respected and everyone is important. This does NOT mean we all agree. But what it does mean is that our opinions NEVER outweigh the value of the person.

# HUNGER

As champions and children of God, we should always be in the Word. It is our duty and should be our delight to focus on the Word, Will, and Ways of God so that we are pleasing in his sight and effective for his kingdom. How do we do that? We stay in the Word, which is the Holy Bible.

# WORSHIP

At GHC, we believe worship is our weapon. We come to church to participate. God has been so faithful to us and he is deserving of all of our praise and worship. Praise is our outward thanks but worship is our inward thanks.

# FAMILY

WE ARE FAMILY! This is no cliché. We are called to be the body of Christ and live in communion with each other.

*family*  
is  
EVERYTHING

# THANK YOU!
