

MAKE ME MORE LIKE JESUS

CLW | John Vorster, Frits de Groot, Megan Knipe, Liezel Marshall, Bruce Wallace

Verse 1

Who am I to deny
I'm perfectly made
When sin tries to break me
You keep on making me

Pre Chorus

You spin me You shape me
You mould me You make me
Until I resemble You

Chorus

Jesus, make me more like Jesus
Jesus, I wanna resemble You
Jesus, make me more like Jesus
Jesus, come and make me new

Verse 2

When the world keeps on raging
and people keep saying
That You're far away
I'm in Your hiding place

Bridge

I'll use my hands like You would do
I'll use my voice like You would do
I'll pray my prayers like You would do
Surround myself with the living truth

Outro

Jesus make more like Jesus
Jesus, wanna be more like You

Chorus 2

Jesus, make me more like Jesus
Jesus, I wanna resemble You
Jesus, make me more like Jesus
Jesus, wanna be more like You
