

POWER OF YOUR GRACE

CLW | Megan Knipe | Liezel Marshall | Bruce Wallace | Frits de Groot

Verse 1

When You say You love me
And Your plans are good
I trust in You
I trust in You
When I struggle to see
You show me
The ways You have made
I'm never alone
I know I'm never alone

Chorus

God You're still on the throne
No one will take Your place
When I'm in a storm,
Your glory remains
I know I'll see

The power of Your Grace

Verse 2

When You call me deeper
I will run to You
I trust in You
I trust in You
When my feet may fail
I know You're there to hold me
I'm never alone
I know I'm never alone

Bridge

Lord You are so good to me
Your mercy follows me
Forgiveness poured out undeserved
No one can love like You
