

ONE THING

CLW | Frits de Groot | Bruce Wallace | Megan Knipe | Liezel Marshall

Verse 1

From the wounds on Your hands
On Your feet on Your side
By water and blood
You gave birth to Your bride on the cross

Verse 2

You poured out Your blood Lord
You laid down Your life
We're forever perfected
By one sacrifice on the cross
We count all things loss
Just to know You Jesus
Just to know You Jesus

Chorus

We wanna know You
How we love You Lord
We just wanna know You
How we love You Lord

Bridge

One thing, that I'm gonna do
Gonna press on to know You
Press on to know You
There's one thing, that I'm gonna do
Gonna press on to know You
Press on to know You

Verse 3

Like bread You were broken
To ransom Your bride
Like wine Lord Your blood
Running red from Your side on the cross
We count all things loss
We count all things loss
Just to know You Jesus

Just to know You Jesus
