

## **FOURTH MAN**

Well there's a fourth man in the fire  
So let the flames burn even higher  
I put my trust in my Messiah  
So I can't be burned  
No I can't be burned  
Cause there's a fourth man in the fire  
So let the flames burn even higher  
I put my trust in my Messiah  
So I can't be burned  
No I can't be burned

This is my victory  
Each word He speaks to me  
He holds my destiny  
So I won't be moved  
No I can't be moved  
This is my victory  
He writes my history  
He holds my destiny  
So I won't be moved  
No I can't be moved

I'm okay  
'Cause I know You're here with me  
Singing praise  
Singing songs of victory  
I'm okay  
'Cause I know You're here with me  
Singing praise  
Singing songs of victory

I got peace

I got peace like a river

I got joy

I got joy that I can't explain

I got peace

I got peace like a river

I got joy

I got joy that I can't explain

There's a fourth man in the fire

So let the flames burn even higher

I put my trust in my Messiah

So I can't be burned

No I can't be burned

Cause there's a fourth man in the fire

So let the flames burn even higher

I put my trust in my Messiah

So I can't be burned

No I can't be burned

This is my victory

Each word He speaks to me

He holds my destiny

So I won't be moved

No I can't be moved

This is my victory

He writes my history

He holds my destiny

So I won't be moved

No I can't be moved

I'm okay

'Cause I know You're here with me

Singing praise

Singing songs of victory

I'm okay

'Cause I know You're here with me

Singing praise

Singing songs of victory

I got peace

I got peace like a river

I got joy

I got joy that I can't explain

I got peace

I got peace like a river

I got joy

I got joy that I can't explain
