

MAKE ME MORE LIKE JESUS

CLW | John Vorster

Who am I to deny
I'm perfectly made
When sin tries to break me
You keep on making me
You spin me You shape me
You mould me You make me
Until I resemble You

Jesus make me more like Jesus
Jesus I wanna resemble You
Jesus make me more like Jesus
Jesus, come and make me new

When the world keeps on raging
and people keep saying
That You're far away
I'm in Your hiding place
You spin me You shape me
You mould You make me
Until I resemble You

Jesus make me more like Jesus
Jesus I wanna resemble You
Jesus make me more like Jesus
Jesus, come and make me new

I'll pray my prayers like You would do
Surround myself with the living truth
