Application Questions - *These questions are provided for your further study and application of the subject of today's message. Thoughtfully writing out answers to these questions will help drive home the point. They are designed to be discussed in your home, with other believers, and in a Life Group for even more benefit.*

1. Read Joshua 13:1-7. God tells Joshua, "very much of the land remains to be possessed." Has Israel failed to be successful? (See 10:42-43; 11:19, 23)

What might be God's purpose in telling this to Joshua?

What are some of God's promises to you? List those that come to mind.

What are some of the hindrances that tempt you to pull back from claiming them?

2. What task, and what promise did God give Joshua in verses 6 and 7?

What work of ministry has God called you to right now? Are you trusting God to help you? Explain.

3. Read Hebrews 4:15-16 and 2 Peter 1:3-4. Write down as many statements as you see that encourage you to press on in faith, and in the calling God has for you.
