“Speaking truth in love, growing together into Christ our head.” (Ephesians 4:15)

June 2026

Dear Lay and Clergy Delegates to Synod:

The bishop has called the 121st Session of the Synod of the Diocese of Rupert's Land for Thursday October 15, Friday October 16 and Saturday October 17, 2026.

Thursday, October 15, 2026 – 7:00 p.m. – Opening Eucharist at St. John's Cathedral
Friday, October 16 and Saturday, October 17, 2026 – Morning and afternoon sessions at Masonic Memorial Centre (420 Corydon Avenue).

To assist with the preparations for Synod, please find the following attachments in this email or enclosed in this mailing:

- A list of clergy and parish lay delegates that were elected to Synod at parish AGMs. Emails have been sent to some parishes to determine missing delegate information or the eligibility of lay/clergy delegates. Please ensure that the Synod office is advised of any corrections to the Synod Delegate list.
 - This list (as of now) contains all the names of those people who are eligible to be registered voting members at Synod. No one else. This list will also be used for billing parishes for Synod Delegates.
 - As per Canon 23(7)(b), if an elected delegate can not attend, an elected substitute delegate is allowed to attend in their place. It is the responsibility of the lay delegate to pass on any information already received to the substitute delegate.
 - If your parish did not elect any substitutes or not enough substitutes, another parish general meeting (with applicable notice) must be held to in order to elect new delegates, as per Canon 23(1) and I must be notified as per Canon 23(5). Your parish can NOT send someone who has not been elected by the parish.
 - As per Canon 23(7)(c), if an elected delegates dies or resigns prior to synod, then the Corporation must advise the bishop's office or myself, in writing, of the death or resignation along with the name of the substitute delegate who will assume the delegate's responsibilities. We will update our lists to ensure all future communication be sent to the "new" lay delegate. This delegate may now run for election.
- A letter from the Nominations Committee with a slate of positions for which elections will be held.
- A form for making nominations. Please consider standing for election to one of the various committees or nominating a person(s) from the list of Synod Delegates.
- Requirements for the information needed for those letting their name stand for election. Don't forget to include a picture.

- Guidelines for Resolutions
- Form for submitting resolutions for consideration by the Synod. **Consider submitting resolutions that you or your parish believe to be important for the Synod to consider.**
- A request for accommodation form. This is especially important as we welcome more delegates from outside of Winnipeg.

I realize that there is a lot of information included here, but it is important that delegates are informed and well prepared.

You are encouraged to meet as a parish delegation, prior to Synod, to discuss matters of particular importance to your parish, which may be brought before the Synod. As well, consider persons to be nominated for the elected positions.

Please submit completed request for accommodation forms, along with any notices of motions, and nominations (with biographical information) to the Synod Office by August 24, 2026 for inclusion in the Convening Circular. In mid September, the full Convening Circular will be sent to each delegate. The circular will contain reports of work within the Diocese, biographical information of nominees, and resolutions that have been submitted.

In an effort to be good stewards of our resources, we will be sending the Convening Circular to all delegates in mid-September via email. If you require a printed copy, please advise the Synod office. All information will also be posted on the website, under the Synod Information Hub; www.rupertsland.ca/synod2026

Our plan is to schedule a series of ZOOM meetings in the fall, where delegates will receive a brief orientation to Synod and a chance to answer any questions you may have.

Let us continue to pray for one another as we prepare ourselves to gather as a Synod.

Yours in faith,

Bob Wedlake

The 121st Session of Synod of the Diocese of Rupert's Land

NOMINATION FORM 2026-2028

Dear Synod Delegates:

During the annual general meeting (AGM) of your parish, you allowed your name to stand, along with others, as a delegate to attend the 121st session of Diocesan Synod being held 15th – 17th October 2026. Thank you for your willingness to serve your Diocese and be part of Team Rupert's Land.

Diocesan Synod, in very simple terms, is the AGM of the Diocese, very similar to your parish AGM. Discussions take place, resolutions are voted on, prayers/singing/praising also form part of the session of Synod. You are there to help direct and guide the diocese over the next two years. There is always good food and time to meet and interact with delegates from other parishes.

The Diocese also seeks willing participants, both lay and clergy, to take on further responsibilities with respect to committees which oversee the running of the Diocese between Synods. These are elected positions for which Synod delegates have allowed their name to stand.

Positions for which Diocesan Synod will be holding elections are: Diocesan Council, Board on Canons & Rules of Order, Diocesan Court, Provincial Synod and General Synod.

Diocesan Council is very similar to a Parish Vestry; however, its responsibility is to oversee the running of the Diocese of Rupert's Land. Meetings are held approximately 5 times a year for about 3 hours and the elected representatives from many parishes come together to carry out the work of the Diocese.

Board on Canons & Rules of Order consider every proposal to alter, amend or repeal the Constitution, Canons or Rules of Order of the Diocese.

Diocesan Court deals with discipline in respect of priests, deacons, bishops, and lay members of the Anglican Church of Canada.

Provincial Synod comes together once every 3 years to deal with the affairs of the various Ecclesiastical Province. It is very similar to our Diocesan Synod but on a larger scale with elected representatives from the Ecclesiastical Province and usually runs for 2-3 days and can take place anywhere in the Ecclesiastical Province.

General Synod comes together once every 3 years for approximately a week, can take place anywhere in Canada and is made up of elected representatives from dioceses all across Canada. Again, it is a business meeting, very similar to Diocesan Synod and Provincial Synod.

These committees help ensure the Anglican Church of Canada is answering God's call by coming together in prayer, committing to one another and to the communities in which we live, being responsible for the gifts of money and time entrusted to our care and striving to follow Jesus and all that entails.

For all these things, God's work can only move forward with your help.

Consider letting your name stand. While you may not think you have anything to offer, be assured, each of us has gifts which are presently being utilized and other gifts which are yet to be discovered.

A nomination form and a form for providing biographical information is included with this mailing. If you wish to stand for nomination yourself or would like to nominate another delegate, ask two delegates to Synod to sign the nomination form. Please forward nominations to the Synod Office by August 24th, 2026, to be included in the Convening Circular. If the material is received after this date, we will not be able to include it in the Convening Circular. These may be mailed to the Diocesan Office or emailed (The Diocese of Rupert's Land, 935 Nesbitt Bay, Winnipeg, MB R3T1W6 or general@rupertsland.ca)

Nominations close on September 30th, 2026, Note: There will no nominations taken from the floor at Synod.

Thank you for your consideration and participation in this important process.

**Submitting Resolutions early enough for inclusion in the Convening Circular
is strongly encouraged whenever possible**

WHO DO I CONTACT FOR HELP WITH A RESOLUTION?

Please don't hesitate to reach out! We're here to assist you.

GUIDELINES ON RESOLUTIONS FOR SYNOD

The 121st Session of the Synod of the Diocese of Rupert's Land will conduct its business in accordance with **Canon 18: Synod Proceedings**. The relevant provisions of the Canon are reproduced below. The following summary is intended to help delegates prepare resolutions for consideration by Synod.

Submit your resolution early

Delegates are strongly encouraged to submit resolutions well before Synod so that they can be included in the Convening Circular. This gives members of Synod the opportunity to read and reflect on the resolution in advance, and helps Synod conduct its business more effectively.

Resolutions intended for publication in the Convening Circular **must be received by the Secretary of Synod no later than Monday, August 24, 2026**, by email or in printed form.

The **Resolutions Committee is also happy to assist delegates in drafting resolutions before they are submitted**. If you have an idea but are unsure how to frame it in the proper form, please contact the Committee as early as possible. Early consultation often results in clearer resolutions and a smoother Synod process.

Resolution Categories

Resolutions considered by Synod are grouped into three categories:

- Category A – Resolutions arising from the Bishop's Charge.
- Category B – Resolutions printed in the Convening Circular.
- Category C – Resolutions received after the Convening Circular has been published.

If time is limited during Synod, the Chair of the Agenda Committee, together with the Secretary of Synod and the Bishop, may determine the order in which Category C resolutions are considered.

Preparing a Resolution

Every resolution:

- **must begin** with the word "THAT";
 - **should not include introductory clauses** beginning with "WHEREAS", "SINCE", or similar wording;
 - should **clearly state the action** Synod is being asked to take;
 - must have a **mover and seconder** who are members of Synod;
 - must be submitted on the **approved Resolution Form**; and
 - may include up to **500 words of background information**.
-

Examples

Let's assume that chocolate chip cookies are your favourite cookie, and you'd like to propose a resolution that Synod designate the first day of each Synod as Chocolate Chip Cookie Day.

A Well-Formed Resolution

Resolution

THAT this Synod designate the first day of each regular Session of Synod as **Chocolate Chip Cookie Day**, and **THAT Synod planning funds** be used to provide chocolate chip cookies for all members and registered guests attending Synod.

Background Information *(Optional)*

The opening day of Synod brings together clergy and lay delegates from across the Diocese for prayer, worship, fellowship, and the conduct of diocesan business. Providing chocolate chip cookies as a shared refreshment would be a modest expression of hospitality and welcome, helping to foster fellowship and conversation among members before the formal work of Synod begins. The anticipated cost would be a small annual operating expense and could be incorporated into the Synod hospitality budget.

Moved by The Rev. Canon John Smith

Seconded by Ms. Jane Jones

Note: Because the resolution would result in an increase in diocesan expenditure, Canon 18(7) provides that the example resolution should be submitted to Diocesan Council for its opinion before being considered by Synod, or if proposed after the final Diocesan Council meeting before Synod the resolution requires a two-thirds majority vote to pass.

A Resolution Needing Some Help

Resolution

WHEREAS everyone knows that Synod days are often long and sometimes tiring;
AND WHEREAS chocolate chip cookies are delicious and make people happier;
AND WHEREAS delegates have often commented that refreshments are nice;
AND WHEREAS cookies help build community;
AND WHEREAS other dioceses probably have better snacks than we do;
AND WHEREAS chocolate chip cookies are clearly the best cookies;
BE IT RESOLVED that the Diocese should seriously consider making the first day of Synod Chocolate Chip Cookie Day, and maybe provide cookies if there is enough money in the budget, or if someone volunteers to bake them, or if Diocesan Council thinks it is a good idea.

Moved by The Rev. Canon John Smith

Seconded by _____

What's wrong with the above resolution?

- Contains introductory “WHEREAS” clauses;
- Asks Synod to consider creating Chocolate Chip Cookie Day (while asking Synod to consider something isn't necessarily forbidden, stronger motions ask for concrete action and/or follow up. Also, “The Diocese” is a vague term. “The Diocese” doesn't act — Diocesan Council, the Bishop, congregations, and individual people do);
- Lacks a concrete funding mechanism;
- Is self-defeating and confusing (asks Synod to consider designating the day, but makes the entire motion contingent on whether or not Diocesan Council thinks its a good idea);
- Lacks a Seconder

Submitting a Resolution During Synod

While resolutions may still be submitted after the Convening Circular has been published, delegates should be aware of the requirements of Canon 18.

In particular: *“Except with the consent of the Chair and the affirmative vote of at least two-thirds of the members of Synod present and voting, a notice of motion shall not be considered by Synod unless received by the Secretary of Synod on or before five o'clock in the afternoon of the day immediately preceding the final day of the Session of Synod.”*

For the 121st Session of Synod, this deadline is 5:00 p.m. Friday, October 16, 2026.

**Submitting your resolution prior to the Convening Circular deadline
(August 24, 2026) is strongly encouraged whenever possible.**

Canon 18 – Notices of Motion (Sections 5–7)

5. Notices of Motion

- (a) A notice of motion to be considered by Synod shall be in writing, have a proposer and seconder, and be delivered to the Secretary of Synod.
- (b) A notice of motion intended to be included in the convening circular of a session of Synod shall be delivered to the Secretary of Synod at such time prior to the commencement of that session as the Diocesan Council shall determine, and, except as provided in clauses (c) and (d), shall be presented verbatim in the convening circular, and may be accompanied by background information of not more than 500 words in length.
- (c) A notice of motion delivered as provided in clause (a) that is received by the Secretary of Synod before the last meeting of Diocesan Council prior to the session of Synod shall be placed on the agenda of that meeting.
- (d) The Diocesan Council may consider a notice of motion referred to in clause (a) and may recommend its adoption by Synod, with or without alteration, and the recommendation shall be included in the convening circular.
- (e) A notice of motion not included in the convening circular and received by the Secretary of Synod prior to or during the session shall be referred by that Secretary to the Chairs of the Resolutions Committee and of the Agenda Committee.
- (f) Except with the consent of the Chair and the affirmative vote of at least two-thirds of the members of Synod present and voting, a notice of motion shall not be considered by Synod unless received by the Secretary on or before five o'clock in the afternoon of the day immediately preceding the final day of the session of Synod. If the session of Synod consists of one day or less, a notice of motion shall not be considered unless received by the Secretary not later than 12 o'clock noon of the same day.
- (g) A motion, which term includes a motion of amendment, shall not be considered by Synod unless seconded and reduced to writing.
- (h) A Notice of Motion is required for each motion, except a procedural motion, a motion of privilege, a motion appended to or arising from a report to Synod, or a motion arising from the Bishop's Charge.
- (i) Except with the unanimous affirmative votes of the members of Synod present and voting, a motion arising from a report made to Synod shall not be received after consideration of the report by Synod has been concluded.

6. Notices of Motion Relating to Constitution and Canons

A notice of motion for the enactment, amendment or repeal of any part or provision of the Constitution or of any Canon, By-law or Rule of Order shall be in writing, shall set out in full the part or provision affected and the proposed enactment, amendment or repeal, and shall be referred to the Board on Canons and Rules of Order pursuant to the provisions of the Constitution and Canon 17.

7. Notices of Motion Relating to Expenditures

A notice of motion that will result in an increase in diocesan expenditure shall be submitted to the Diocesan Council for its opinion prior to being considered by Synod; provided, however, that if the motion provides for the means by which the expenditure may be financed, this provision may be waived by the affirmative vote of at least two-thirds of the members of Synod present and voting.
