<p>Chromebook (or Laptop Required for Grades 8-12)</p> <p>The school recommends choosing a Chromebook model that will serve your student well throughout high school.</p> <p>Look for the following minimum specifications:</p> <ul style="list-style-type: none"> • 8 GB of RAM (recommended for better multitasking and performance) • 64 GB or more of storage • A recent processor (such as an Intel N-series or newer, or equivalent) • A battery life of at least 10 hours • Automatic ChromeOS updates supported for several more years <p>While 4 GB RAM Chromebooks can handle basic tasks, 8 GB RAM is strongly recommended to ensure smoother performance when working with multiple tabs, Google Workspace apps, and other web-based learning tools. Please ensure your student's Chromebook is fully charged each day before arriving at school.</p>	1
