My name is Alex Pilcik. I was born and raised in Prince George, up the Hart Highway, or “South Mackenzie” as some call it. I first encountered Jesus as a camper at Ness Lake Bible Camp, but I didn’t begin attending church regularly until I was invited by a leader when I was 15.

Being at FGBC has been a very welcoming experience. Over the past year, I’ve been paying closer attention to that inner sense of direction, and being part of this community has truly felt like home. I’m looking forward to being part of the family.

Hello church! My name is Derek Zral

I was a little slow in coming to Christ in my early 20's and was not raised in a Christian environment. God has always worked on me through others in my life and it was my association with a group of Godly men that helped lead me to Jesus.

I feel blessed to be part of His church at FGBC as I feel He has brought me here to do His will, and to work towards fulfilling His awesome plan for my life. I plan to support FGBC any way I am able starting with Ushering...so, see you face-to-face soon!

Hi, my name is Afton Zral.

I grew up in a home where I attended church as a young kiddo. I came to have a relationship with Jesus in my early 20's.

I enjoy that folks at FGBC were so welcoming to us when we first attended and continue to warmly welcome new people. I love to serve and will be serving on the events team. I also love to bake and bring treats to share!
