ABRAMOV, MARK & SCHLOMIT, CHOSEN PEOPLE MINISTRIES – Sirens go off almost daily and we gather family & run to the shelter. This has become a normal part of our life, yet reminds us how much we depend on the Lord's protection every single day. Almost every day, I have opportunities to speak to Jewish people about Yeshua, the Savior, their Messiah. God opens hearts and starts conversations.

Sarah's dad was able to visit for a few days & was such an encouragement.
