

*The LIE Called*

**JUDEO-CHRISTIAN**

By: Dr. June Knight-Wehr

## When Did 'Judeo-Christian' Become a Thing?

The phrase 'Judeo-Christian' came into use in the 20th century, mainly in the United States. It was pushed during World War II and the Cold War to promote unity between Christians and Jews in the face of rising fascism and communism. Before that, Christians weren't exactly buddy-buddy with Jews.

Centuries of persecution, including expulsions, forced conversions, and pogroms, show otherwise. Historians like **Arthur A. Cohen and Mark Silk** argue that the term was designed to create a **common cultural identity**. Politicians and religious leaders used it as a rhetorical device to emphasize **shared moral values...**

## **What Does 'Judeo-Christian God' Mean?**

The **term suggests that Judaism and Christianity have the same God**, implying a theological agreement exclusive among Abrahamic religions.

It's supposed to **highlight shared moral values**, but even that's shaky. Christianity and Judaism do have overlapping scriptures — the Old Testament in Christianity is basically the Hebrew Bible — but their views of God are fundamentally different.

# Judaism's God

**God in Judaism: Strict, Indivisible, and No Nonsense**

**In Judaism, God is strictly monotheistic – one, indivisible, and beyond human form. God is eternal, all-powerful, and unchanging. Jewish theology rejects any notion of God having a “son” or sharing divine status with anyone else.**

**Jewish law comes from the Torah, which is believed to have been given directly by God...**

**In addition, they add sages to their law - *Talmud***

# Talmud?

The Talmud is the ***central text*** of Rabbinic Judaism and the **primary source for Jewish law, ethics, and philosophy**. It functions as a massive, multivolume record of debates and discussions spanning hundreds of years, **detailing how the commandments of the Torah** are *meant* to be understood and practiced in daily life.

*(Basically the interpretation of the Torah according to man)*

# Talmud & Kabbalah?

**The Talmud and Kabbalah are two foundational, yet fundamentally different, pillars of Jewish tradition. If the Talmud provides the legal framework and "body" of Judaism, Kabbalah serves as its esoteric, mystical "soul"**

***Historically, these two disciplines are not mutually exclusive. Traditional Kabbalists emphasize that mastering the Talmud is the required prerequisite for studying Kabbalah***

# Differences

## *Judaism vs. Christianity*

The fundamental difference between Judaism and Christianity is **their view of Jesus.**

**Christianity** accepts Jesus as the **promised Messiah, the Son of God, and the savior of humanity.**

**Judaism** rejects Jesus as **divine or as the Messiah**, maintaining **strict, absolute monotheism** and continuing to await the Messiah's arrival.

# Differences

## *Judaism vs. Christianity*

The core divergence spans several foundational beliefs:

### 1. The Nature of God

- **Christianity:** Believes in a **triune God** (the Father, the Son, and the Holy Spirit).
- **Judaism:** Emphasizes the absolute **oneness of God** and ***rejects any concept of God in human form.***

# Differences

## *Judaism* vs. *Christianity*

### 2. Sacred Texts

- **Christianity:** Recognizes the Hebrew Bible as the "**Old Testament**" and adds the "**New Testament**," which details the life and teachings of Jesus.
- **Judaism:** Relies on the **Tanakh (Hebrew Bible)**, alongside the **Torah**, and the **Talmud (oral traditions and laws)**

<https://share.google/aimode/PgkhejgfSWXVdj2EW>

# Differences

## *Judaism vs. Christianity*

### 3. Sin and Salvation

- **Christianity:** Teaches that humanity is born with "original sin" and requires salvation through faith in Jesus Christ's sacrifice.
- **Judaism:** Teaches that people are born with free will to choose between good and evil; righteousness and forgiveness are achieved through prayer, repentance, and performing mitzvot (commandments).

# Differences

## *Judaism vs. Christianity*

### 4. Life After Death

- **Christianity:** Heavily focuses on an afterlife involving heaven or hell, dependent on faith in Jesus. (Jesus is ONLY WAY TO HEAVEN)
- **Judaism:** Focuses primarily on Olam Ha-Ba ("the world to come"). While Judaism believes in the concept of a soul and an afterlife, the traditions emphasize living a righteous life in the present world.

# Antisemitism

**Because Judaism believes in a monotheistic God and they utterly denounce the thought of Jesus as the son of God, they reject Christianity. Due to the fact that Islam (Muslims) serve one god, they are EXEMPT from being charged with Antisemitism! They believe that since Christians believe in the trinity doctrine, that they are eligible for antisemitism charges! Yes, it's crazy!**

# Do Jews and Muslims have the same God?

## **AI Overview**

**Yes, historically and theologically, Jews and Muslims worship the same God. Both are strict monotheistic faiths that trace their origins back to the patriarch Abraham. In fact, "Allah" is simply the Arabic word for God, used by both Arabic-speaking Muslims and Christians. *National Catholic Reporter +4***

# AI Overview

While the foundational deity is the same, each religion has distinct interpretations of God's nature, revelations, and laws:

- **Judaism:** Believes in a strictly indivisible God who *made a covenant specifically with the Jewish people*, as recorded in the Torah.
- **Islam:** Believes in the same God of Abraham, Moses, and Jesus, but views the *Quran as God's final, uncorrupted revelation to humanity through the Prophet Muhammad*. Islam Stack Exchange +2

Ultimately, both religions share a foundational belief in the **exact same creator**, even if their theological rules and understandings of God's final message differ

# Ishmael & Isaac

## AI Overview

In both Judaism and Islam, Ishmael and Isaac are revered as the sons of the patriarch Abraham

### Judaism (The Lineage of **Isaac**) (Promised One) (Second Born)

- **The Covenant Heir:** In the Hebrew Bible (Torah), Isaac is the child of Abraham and his wife, Sarah. He is considered the true heir of the Abrahamic covenant.
- **Ishmael's Role:** Ishmael, Abraham's firstborn son through the maidservant Hagar, was eventually sent away with his mother into the wilderness. While Judaism acknowledges that Ishmael was blessed by God with a great nation, the primary lineage of the Jewish people and the inheritance of the Promised Land flows through Isaac

### Islam (The Lineage of **Ishmael**) (Of the Flesh) (First Born)

- **Prophetic Lineage:** In the Qur'an, Ishmael (Ismail) is highly honored as a prophet. He is traditionally regarded as the forefather and ancestor of the Arab peoples, culminating in the lineage of the Prophet Muhammad.
- **Isaac's Role:** Isaac (Ishaq) is also deeply respected in Islam as a righteous prophet and the ancestor of the Israelites, which includes later prophets like Moses and Jesus

# Ishmael & Isaac

## Christianity Viewpoint

In both Judaism and Christianity, both are inherited as the sons of the patriarch Abraham

### ✝ Christianity (The Lineage of **Isaac**) (Promised One) (Second Born)

- Christianity is adopted into Abraham's Inheritance due to Jesus
- Christianity is the promise through the spirit
- Our covenant is the circumcision of the heart - spiritual
- We are the modern day Children of Israel (spiritual)
- Isaac represents Jesus - Abraham offered his son up so did God with Jesus

### Judaism (The Lineage of **Ishmael**) (Circumcision - Of the Flesh) (First Born)

- Judaism was the first born - Children of Israel
- Their covenant to God was circumcision OF THE FLESH

# The LIE of Judeo-Christian

- *Another word for Zionist – ecumenical, unity of the world, false Jesus*
- *Paints Judaism faith before Jesus' followers and denounces what Jesus did on the cross*
- *Both religions are at odds with each other – NOTHING IN COMMON*
- *If you believe in the New Testament and what Paul teaches, then you cannot believe in this*

**The term “Judeo-Christian” often conflates these distinctions. It lumps together Christianity with post-Christ Judaism, muddying the theological waters and confusing people about what Christianity actually is.**

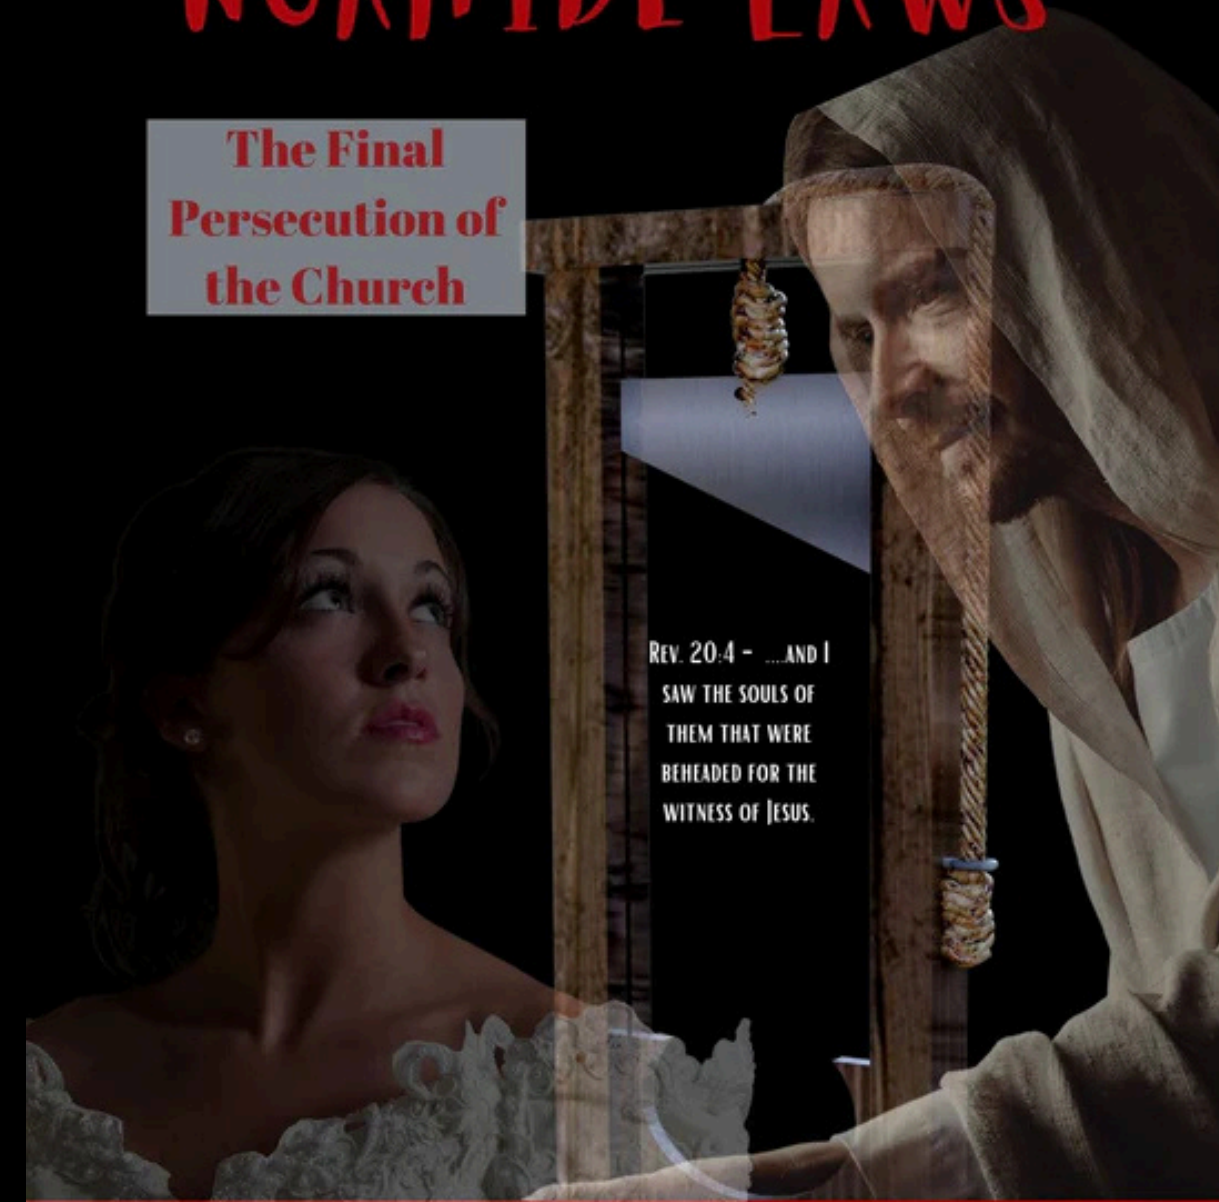

# Christianity is an Idol!

**Under the Noahide Laws**, the prescribed punishment for **violating the prohibition against idolatry** is the **death penalty**, specifically by *decapitation*.

**Mike Huckabee Claims  
America Would Not Exist  
Without Israel: "How Dare  
You Flunked History?"**

U.S. Ambassador to Israel Mike Huckabee said he was "excoriated" after arguing that "without Israel and its Jewish foundation, there would be no America." Speaking at the 2026 Jerusalem News Syndicate Policy Summit, Huckabee defended his long-held view on America's deep roots in Judeo-Christian values.

Huckabee argued that Western civilization was shaped by a Jewish foundation, stating that America's history is tied "more to Mount Sinai than it is to Athens or Rome." To those criticizing his stance, the ambassador boldly responded: "How dare you flunked history?"

The fiery remarks come amid intense scrutiny over whether Huckabee's theological views are shaping his diplomatic role, and surface during broader policy tensions between U.S. and Israeli officials regarding Iran.

# *Hebrew Roots Lie*

**The Hebrew Roots Movement is a growing Christian theological perspective that emphasizes the ancient Jewish origins of the faith. It seeks to re-evaluate Christianity through an ancient Hebrew lens rather than traditional Greco-Roman or Western traditions.**

# Core Tenants of Hebrew Roots

- **Jesus as Yeshua:** Followers acknowledge Jesus by his original Hebrew name, Yeshua, and emphasize his literal teachings within a 1st-century Jewish context. [1, 2]
- **Torah Observance:** Many in the movement believe that the Mosaic Law (Torah) was not abolished by Jesus and remains applicable to modern believers. [1, 2]
- **Sabbath and Feasts:** Followers often observe the seventh-day Sabbath (from sundown Friday to sundown Saturday) and biblical festivals like Passover and Yom Kippur rather than traditional, institutional holidays
- **Dietary Laws:** Many adhere to biblical kosher dietary restrictions

## Differences Between Hebrew Roots and Traditional Judeo-Christianity.

While traditional Christianity acknowledges its foundation in the Hebrew Bible (Old Testament), the Hebrew Roots movement creates distinct breaks from orthodox or mainstream church traditions.

Feature	Hebrew Roots Movement	Traditional Judeo-Christianity
Holidays	Rejects traditional holidays like Christmas and Easter as having pagan or extra-biblical origins.	Celebrates Christmas, Easter, and other traditional liturgical seasons.
The Law (Torah)	Emphasizes physical obedience to the laws of Moses.	Teaches that believers are freed from the Mosaic Law through the New Covenant (salvation by grace).
Scripture Interpretation	Heavily emphasizes ancient Hebrew culture, language, and literal application.	Uses a mix of historical, theological, and often allegorical interpretation developed over centuries of church tradition.

## Hebrew Roots vs. Messianic Judaism

While similar, the two are distinct movements within a broader Torah-observant spectrum: [The Christian Century](#)

- **Messianic Judaism** primarily consists of Jewish people who believe in Jesus as the Messiah and who generally continue to practice traditional Rabbinic Judaism alongside their faith. [Wikipedia +1](#)
- **The Hebrew Roots Movement** is largely made up of Gentile (non-Jewish) Christians who feel called to adopt ancient Hebraic practices and reject Rabbinic traditions and culture. [Wikipedia +1](#)

# Basically Hebrew Roots is like becoming a Noahide

Hebrew Roots and the Noahide Laws are deeply interconnected theological systems that share a foundational reverence for the Torah and the concept of a singular Creator.

Both prioritize the ongoing relevance of ancient biblical texts as a standard for moral conduct, though they define the specific commandments differently based on who is required to observe them

## Core Differences

- **The Scope of the Law:** The **Noahide Laws** are considered by traditional Jewish theology to be the universal moral minimum meant specifically for Gentiles (all non-Jews/children of Noah). In contrast, the **Hebrew Roots Movement** is typically composed of Gentile or Christian believers who believe the full Mosaic Covenant (including Sabbath-keeping, kosher diets, and feast days) applies to them as well. [mymorningmeditations.com +3](#)
- **Source Authority:** Hebrew Roots followers adhere strictly to the written text of the Torah and generally reject the rabbinic Oral Law or the Talmud. Conversely, the exact enumeration and interpretation of the Noahide Laws primarily come from the Babylonian Talmud and rabbinic tradition. [Wikipedia +2](#)
- **The Messianic Element:** Hebrew Roots is fundamentally a faith movement recognizing Jesus (Yeshua) as the Messiah. Noahidism generally focuses on monotheism and practical morality as defined by Judaism, and followers are generally not Christians. [Wikipedia +4](#)

## Comparison of the 7 Noahide Laws to Hebrew Roots Concepts

Noahide Law	Corresponding Hebrew Roots Concepts
Establish Courts of Justice	Shared value of societal order and living under just, objective laws.
Prohibition of Idolatry	Shared mandate to worship only the Creator and reject pagan practices.
Prohibition of Blasphemy	Shared reverence for the name of God.
Prohibition of Murder	Shared value of the sanctity of human life.
Prohibition of Sexual Immorality	Shared reliance on biblical definitions of marriage, family, and purity.
Prohibition of Theft	Shared mandate for honesty, integrity, and respect for property.
Prohibition of Eating a Limb from a	Shared emphasis on showing compassion to animals.
