July 5, 2026,

Dear Friends in Christ at The Parish of the Holy Spirit,

Grace and peace to you in the name of our Lord Jesus Christ.

As faithful stewards of God's abundant blessings, we are called to give in response to the grace we have so generously received. Today, we are writing to you to invite you to participate in a vital capital project that will ensure our church building reflects the radical hospitality of Christ.

We are launching a fundraising campaign to install an accessible interior ramp and build a fully accessible washroom.

Our current layout creates physical barriers for parishioners and visitors with mobility challenges. By updating our space, we ensure that everyone has barrier free access to our building and facilities.

Cost for this project is estimated to be \$100,000 including tax. To date, we have secured a grant of \$24,000 from the Diocese and have a Trust Fund to cover part of the cost. However, we are relying on the congregation to raise approximately \$45,000 to reach our \$100,000 goal.

Our campaign will start Sunday July 5 and end Sunday July 19. Please use the enclosed form to submit your donation or pledge. Pledges can be honoured by September 30 or December 31 to ensure inclusion in this tax year. Please seal the donation form in the provided envelope and return promptly.

Thank you for your continued prayers, your faithful presence, and your generous support of God's mission here in Seaforth. Together we are assuring a place where all are truly welcome.

Yours in Christ,

Steve Miners, warden

Mary Anne Snowdon, warden
