Plans Diverted 6/28/2026

Good morning C3 Family! I hope you are having a blessed Sunday. Today we are going to be learning from Acts 16 and how to trust God when He diverts our plans. Most of us live our lives trying to make plans for our careers, our families, our finances, and our futures. Often times our plans don't go the way we thought and that can lead to frustration, pain, depression, but remember that God is always good and most often He has something better planned for us!

1. Maybe you have been banging on a closed door, frustrated by delays, trying to force something that God has intentionally stopped. Surrender your plans to the Lord.
2. Today is an opportunity to release your plans and trust His purposes. Bring your dreams, bring your disappointments, bring your timelines, bring your frustrations.
3. Lay your plans and life at the feet of Jesus. Trust that God's plans for your life are greater and His purposes are always good.
