Subject: Thank you from the KRA

Good Morning

We wanted to thank you again for sponsoring a team for the Kirkendall Recreation Association. Because of your sponsorship we were able to register the most kids ever, 225!!! We were able to offer them all a low cost opportunity to learn a new sport, make friends and connections in the neighborhood and help strengthen community ties. We also ran 2 food drives and were able to fill the community fridge. And we were able to give 9 Westdale students their first job opportunity as coaches.

Finally, because we are a volunteer not-for-profit, after buying new equipment for the kids and team shirts, we had left over funds and were able to donate 1500\$ to the Dream Center to help rebuild after the fire they had this spring.

So we wanted to sincerely thank you for your support of the KRA, it really means a lot. We also brought back team photos, so attached is a photo of St John.

Thanks and we hope next year you'll consider sponsoring again.

Bryn
