## Parishioner's Pick

Have you ever read a Scripture passage that just stuck with you — one you keep coming back to and wish you could hear more about? Todd wants to hear from you! **Parishioner's Picks** is your chance to choose the Scripture and let me do the rest. Submit any passage — a single verse or up to a full chapter — and Todd will preach a sermon from it. When you submit, share a little about why you chose that passage: what it means to you, or why you think our congregation needs to hear it. You can even let him know if there are dates you'll be away so you don't miss your sermon when it comes! You can submit your passage at [pacoc.net/p2p](http://pacoc.net/p2p) or through the **church app**. He would love to know who's submitting, but it's entirely up to you! He can't wait to see what passages you pick!
