Application Questions – *These questions are provided for your further study and application of the subject of today's message. Thoughtfully writing out answers to these questions will help drive home the point. They are designed to be discussed in your home, with other believers, and in a Growth Group for even more benefit.*

1. God cares deeply about Governmental Justice.

1. If you could describe yourself as either a "justice" person or a "mercy" person, which would you choose and why?

2. Read Numbers 35:9-34 and Deuteronomy 19:1-13. Combined with this passage, how would you describe Cities of Refuge in your own words?

3. What would it look like for our church to be a place of "refuge" where people can be honest without fear of condemnation?

2. The Avenger becomes the Redeemer when we

Flee to Him for Refuge.

4. Read 1 John 1:9. Why is God's justice (possibly also translated righteousness) such good news for believers?

5. Who do you know, in your sphere of influence, that needs to hear that they can find refuge in Christ? How are you building a relationship with them so you can tell them?
