## Missionary of the Week

**Paul & Krista Beam, Frontiers: UK**

Paul helps the mission purchase and use computers and assists some Frontiers missionaries with computer-related problems. Ministry at church includes Paul's one-on-one discipling of men and Krista's working with retirees. Their physically disabled daughter, living independently, needs a new live-in caregiver. Pray she will fully trust and obey the Lord. Son, Alex, 26, living at home with chronic fatigue, is usually non-verbal and uninvolved. Pray for him to find comfort in the Lord and for Krista, grieving over his condition. Paul writes: "Thank you for praying for the Lord to sustain us. He does! Pray as I finalise the preparation of cybersecurity training and policies for Frontiers staff. Pray for a right balance of computer work and mentoring, and for wisdom and grace."

### VBS Volunteer Orientation Today!

If you are serving in the VBS Volunteer team, please join us in the sanctuary after the service for an orientation and walkthrough. Jeaneth Maxwell will guide us through the training and answer any questions. Please continue to pray for the children and parents, volunteers, and leadership team, asking God for strength, grace, and a joyful heart to share the good news of Jesus!

**Garden Bounty Table** (under the bulletin board). God has provided us with a bountiful season! We invite everyone with excess garden produce to share it with our church family. If you do not have a garden, please stop by at the table and take some fresh produce home. "Give thanks to the Lord, for He is good; His love endures forever." — Psalms 107:1
