

*The document is a bit of an experiment. While our three traditions share a calling to pray for the whole world, including our Christian siblings in churches closely linked to our own, there are variations in how this calling is lived out. The use of a cycle of prayer in the Moravian tradition is less common than in the Anglican and Lutheran traditions. There are also variations in size, jurisdictional regions, and structures of leadership among our three denominations that complicate the weaving together of a balanced document.*

*Prayer cycles can sometimes become overwhelming and crowded pieces of liturgies. Care needs to be exercised in setting a context. Some words of explanation may occasionally be needed to set this Full Communion Cycle of Prayer in context.*

**The Anglican-Lutheran-Moravian Cycle of Prayer for use in the Diocese of Rupert's Land**

*The National Anglican-Lutheran-Moravian Cycle introduced above has been augmented to include prayers for the churches and dioceses of the Anglican Communion, the Council of the North, and the congregations, parishes, missions, ministries, and communities of the Diocese of Rupert's Land.*

*In addition to the cycle of prayer, congregations may wish to pray regularly by name for local, national and international leadership in both the Anglican Church of Canada and the Evangelical Lutheran Church in Canada.*
