

#TargetPractice: According to Psalm 148, who should praise God? Why?

[The Chorus of Creation – A Beautiful Read-Aloud of Psalm 148](#)

All of creation...including us!! Why?

Because God created us, has given us life and purpose. He loves us and cares for us. He is above all powers in heaven and earth.

Now wait. How does the earth praise God? Animals?

Any time you are outside, what do you notice going on in nature around you? Creation praises God just by **being exactly what God made it to be!** A stormy wind praises God by obeying His commands to blow, birds praise God by flying and singing, and mountains praise Him simply by standing majestic and strong

Now what about us? Do humans praise God in the same way? Part of our praise is to behave and do what God has created us to do...following His law. But, unlike animals and nature, we have the ability to understand and use words to express our praise and honor of God.

How can we show our love, devotion, and praise to God?

- Worship songs
- Praying/expressing our recognition of all He has done & what He is worthy of
- Reading the Psalms of praise
- Showing love and kindness to those around us
- Caring for His creation
- Spending time in His creation and reflecting on His goodness
- Fulfilling His purpose for our lives
- Telling others what God has done in your life
- Doing the right thing even when hard
