The beast {anti-Christ} and the false prophet are humans, and they go into the place called the lake of fire burning with brimstone and this is _____.

Satan, after the Millennial Kingdom, will go to hell.

So where are the dead, until the great white throne judgment? _____.

Now the problem over the years has been that the King James arbitrarily translates the word, Hades.

In the Old Testament, *Sheol* [the land of the dead] had two parts to it. A person who died could go into the part where evil men were, separated from God, or one who died as a godly individual would go into the good part which Jesus called paradise, also known as Abraham’s bosom.

In the Old Testament the word for hell is the word *topheth*. In the New Testament it is the word *gehenna*.

The unsaved today are in _____.

***Gehenna*, outside of Jerusalem was a term used for the Valley of Hinnom and was a cursed place.**

And this was a place where the fire never ceased, the worms never died because there was always enough new stuff to eat, and the scavenger animals would – gnash their teeth. This is the picture that Christ chose to describe _____.

The rich man was in “torments.”

Millennium Kingdom comes from two Latin words: *mille*, which means thousand; and *annum*, which means year.

God releases Satan from the abyss, and he organizes the sinners in the Kingdom.

He is released so that he can reveal the true character of these _____.
