

Contempt, says our Lord, is murder in the heart,
and the death penalty is equally deserved.

So, to call someone a rebel against God, if it's true,
you did him a favor. But if you're doing it as an
epithet of hatred, then it is a sin.

The Greek word translated "hell" here is the word
Gehenna.

It became identified in peoples' minds as a filthy,
vile, accursed place.

Jesus attacks the sin of anger, the sin of slander, and
the sin of cursing, and with it He destroys their self-
righteousness.

New Life Family Worship Center's Vision and Mission Statements:

New Life Family Worship Center desires to be a thoroughly biblical church that seeks God's presence and leadership. To that end, we are committed to proclaiming God's perfect law and His glorious gospel of grace in Jesus Christ throughout the world, and to "...contend earnestly for the faith which was once delivered to the saints" (Jude 3). "Therefore, whether you eat or drink, or whatever you do, do all to the glory of God." (1 Cor. 10:31).

In response to God's grace and love toward us, the mission of this congregation is to glorify the God of the Scriptures by promoting His worship, sharing His Word evangelistically, belonging to a God-centered fellowship which encourages us to grow spiritually while serving Him, and acting with love and compassion toward those in need. (Matt. 22:37-40; 28:16-20).

**Jesus is striking the scribes and Pharisees very hard as
He tries to show them that even the best of men, if
the truth was known, are the worst of men.**

**First Jesus says this is a serious issue, “whoever is
angry with his brother is in danger of Judgment.”**

**There are times when a believer has a _____ to
be angry.**

We ought to have righteous indignation.

But Jesus is speaking of selfish anger.

**See, it isn't what we do so much as what we are and
what we feel.**

**God is sitting on the throne, and He's saying in effect
that the one who is angry is as _____ as the one
who kills.**

**Next Jesus says that a verbal expression of _____
against a person is the same as murder.**

**It's the poison under the tongue, like the adder's
poison of Psalm 140.**
